Concern expressed about clicking on "link" and not realizing that there is more than the drop down. It was noted that the links will need to have underline for accessibility.
 - Discussed new projects including #FormYourFuture and Spring Into Action. Also discussed how universities are marketing in our area and how that could impact our enrollment; brainstormed various communications/marketing strategies to counter this.
 - More members are needed for the council in spring; please reach out to folks. Students are especially wanted as we need their perspectives. Next term's meetings are to be determined as it will depend on everyone's availability.
