Hello Kendall!

We had a couple of important items come up in today's ASUCC meeting which we needed a quorum to vote on. We determined that we could get your vote by email to make up the last student vote that we needed.

The first item we voted on was approving \$750 for the flegel center to assist with the framing and hanging of artwork that represents and shows the Umpqua valley so that students not from our area are able to see what the area has to offer. We do have plenty of budget for this and by discussion, this was determined to be an appropriate amount to contribute.

The second piece is 6 amendments to the ASUCC constitution. I have highlighted all of the changes for you since you weren't able to participate in the meeting. For this we need a vote per amendment (for example, Amendment 1: Aye, Amendment 2: Aye... etc)

If you need any questions answered prior to voting please let me know. You'll notice a few of the changes are just updating position titles to be current. In Amendment 6 we also added two standing committees that are already present in the bylaws but which were not addressed in the constitution.

Thank you!
