The survey shows UCC students experience higher basic needs insecurity than students at the statewide and national levels.

OLD BUSINESS – none

NEW BUSINESS

Craig Jackson, Athletics Director, presented a proposal for the addition of co-ed eSports as a part of the strategic enrollment plan for the Department of Athletics, beginning with the new fiscal year July 1, 2020. Mr. Jackson reviewed the recent growth of eSports and shared the implementation plan.

MOTION: **I move to approve the addition of eSports, as presented. Motion by Dir. Richardson, seconded by Dir. Mills and carried unanimously.**

Mr. Jackson requested Board approval for the addition of women’s soccer as a part of the strategic enrollment plan for the Department of Athletics, beginning with the new fiscal year July 1, 2020. The implementation plan was reviewed and the program vision was shared.

MOTION: **I move to approve the addition of women’s soccer, as presented. Motion by Dir. Richardson, seconded by Dir. Lathrop and carried unanimously.**

The financial report for fiscal year 2019-20, ending December 31, 2019, was presented by Natalya Brown, Chief Financial Officer. The financial data was reviewed and explanations were provided for the larger changes. The general fund forecast for the rest of the year shows tuition and fees being lower than what was budgeted. However, the College should be in a good position by the end of the year through a savings of “non-spending”. The ending fund balance forecast could be sizeable which will be used for expected state funding shortages in 2020-21.

Resolution No. 12 – Contract for Engineering & Architecture Services

Ms. Brown requested Board approval for awarding ZCS Engineering/Architecture the contract for the engineering and architectural services for the Seismic Rehabilitation of Whipple Fine & Performing Arts Building. Attention was brought to the numbers not adding up correctly. After the meeting, it was confirmed the total amount is \$200,700 (the packet document incorrectly stated \$201,700). The resolution is attached to the permanent minutes.

MOTION: I move to approve Resolution No. 12, contract for engineering and architecture services, as presented. Motion by Dir. Richardson, seconded by Dir. McDonald and carried unanimously.

Policies were reviewed for a first reading. Although listed in the packet, 6700 Facility Use/Events was not reviewed.

ADMINISTRATIVE PROCEDURE

TITLE: ANIMALS ON CAMPUS

ADMINISTRATIVE PROCEDURE # 3440 *(was 404 Service Animals/Emotional Support Animals)*

RELATED TO POLICY # 3440

I. SERVICE ANIMALS

- A. A “service animal” means any dog or in some cases a miniature horse, that is individually trained to do work or perform tasks for the benefit of a person with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability (source: National Service Animal Registry). The work or tasks performed by a service animal must be directly related to the person’s disability. The provision of emotional support, well-being, comfort, or companionship does not constitute work or tasks for the purpose of this definition.

- B. Service animals will be permitted to accompany people with disabilities in all areas of UCC’s facilities where students, members of the public, and other participants in services, programs or activities are allowed to go. UCC does not require documentation, such as proof that the animal has been certified, trained, or licensed as a service animal.

- C. Additionally, UCC cannot ask about the nature or extent of a person’s disability to determine whether a person’s animal qualifies as a service animal. However, when it is not readily apparent that an animal is a service animal, UCC staff may make two inquires to determine whether the animal qualifies as a service animal, which are:
 - 1. Is the animal required because of a disability?
 - 2. What work or task has the animal been trained to perform?

II. EMOTIONAL SUPPORT ANIMALS

- A. “Emotional support animal” is an animal that provides emotional support that eases one or more identified symptoms or effects of a person’s disability. Unlike service animals, emotional support animals are not trained to perform work or tasks, and

they include species other than dogs and miniature horses. Emotional support animals are not allowed to accompany persons with disabilities in all areas of UCC.

- B. While emotional support animals are generally not allowed indoors on UCC's campus people with disabilities may request approval from the Accessibility Services office to have the emotional support animal accompany them to other campus areas. Such requests will be considered on a case-by-case basis consistent with applicable laws.

III. GUIDE AND HEARING TRAINEES

Oregon law allows animals that are being trained to be dog guides for the blind, hearing assistance dogs, or assistance animals for persons with physical impairments to access UCC facilities.

IV. RESPONSIBILITIES OF PEOPLE WITH DISABILITIES USING SERVICE OR EMOTIONAL SUPPORT ANIMALS

- A. UCC is not responsible for the care or supervision of service or emotional support animals. People with disabilities are responsible for the cost, care, and supervision of service and emotional support animals, including:
 1. Compliance with any laws pertaining to animal licensing, vaccination, and owner identification;
 2. Keeping the animal under control and taking effective action when it is out of control; and
 3. Feeding and walking the animal, and disposing of its waste.

VI. EXCEPTIONS AND EXCLUSIONS

- A. UCC may pose some restrictions on, and may even exclude, a service animal or emotional support animal in certain instances. Restrictions or exclusions will be considered on a case-by-case basis in accordance with applicable laws, but an animal may be excluded by UCC Security or the Accessibility Services Coordinator if:
 1. It is out of control and effective action is not taken to control it;
 2. It is not housebroken;
 3. It poses a direct threat to the health or safety of others that cannot be reduced or eliminated by reasonable modifications; or
 4. Its presence fundamentally alters the nature of a program, service or activity.

5. Any questions or concerns should be directed to the Accessibility Services Coordinator or UCC Security.

RESPONSIBILITY:

The Dean of Student Services is responsible for implementing and updating this procedure.

ADMINISTRATIVE PROCEDURE

TITLE: PURCHASING

ADMINISTRATIVE PROCEDURE # 6330 *(was 601 AP)*

RELATED TO POLICY # 6330 Purchasing *(was 601)*

Introduction:

1. In all procurements, the purchaser shall act in the best interest of UCC to determine best value and promote a fair and competitive process among vendors. Purchase decisions may be made on lowest price, but factors such as warranties, shipping and handling fees, delivery schedule, and quality should also be considered.
2. Public employees may not benefit directly from their position, or as a result of any transaction involving public funds as per ORS244.040. Further, UCC employees authorized to purchase on behalf of the College may not solicit or accept any gratuity from a vendor.
3. There are three primary thresholds governed by statute.
 - a. **Small** Procurements are less than \$10,000.00.
 - b. **Intermediate** Procurements are greater than or equal to \$10,000.00 but less than \$150,000.00.
 - c. **Large** Procurements are greater than or equal to \$150,000.00.
 - i. There are **exceptions** to these thresholds, which under certain conditions may affect the dollar amounts. Contact purchasing staff or refer to the college's principle body of rules – The Community College Rules of Procurement (CCRP), which are located on UCC's internet Purchasing page under Purchasing Policies.

A. Small Procurements:

1. Decentralized Purchasing

UCC has decentralized purchasing authority for Small Procurements. Under most circumstances*, purchases under \$10,000.00 generated at the department level may be completed if sufficient budget and signature authority exists. These

approval levels are established by the Office of Business Services and set in Banner.

2. Order to Pay

With few exceptions a Banner generated Purchase Order is required for all purchases made on behalf of the College. The standard "Order to Pay" process is as follows.

- a. Identify the need
- b. Identify the source and secure pricing
- c. Generate the Purchase Order (PO)
- d. The PO is routed for approval
- e. The PO is approved
- f. The PO number is submitted to the supplier
- g. The goods/services are provided and accepted
- h. The invoice, referencing the PO number is uploaded to DocuWare's AP File Cabinet
- i. The Invoice is processed and the check mailed.

3. Capital Equipment Purchases:

All items of \$5,000 or greater must be purchased with a Purchase Order, receive full approval prior to placing the order, and charged to the proper Capital account.

4. Technology Purchases, (hardware *and* software):

Technology related merchandise, including software and subscriptions, but excluding peripheral accessories, must be approved by the IT Department. Make your request by entering a HelpTicket.

5. *Exceptions to the Purchase Order Rule (include but are not limited to the following):

- a. Travel and training related expenses.
- b. Purchases with suppliers that do not accept purchase orders. Some web-based businesses do not offer credit terms. A college issued Credit Card may be used.
- c. In a time-constrained situation or true emergency. Ex.: if a critical piece of equipment fails suddenly and use of cash or an issued credit card results in the quickest repair.

Purchase Orders or more detailed and formal Contracts are required for Intermediate and Large Procurements.

B. Intermediate Procurements:

1. The Purchasing Manager must be involved to ensure compliance with applicable policies and statutes. A Purchase Order is required, which may be generated in

the originating department. A required minimum three (3) Quotes from different vendors ensures market competition and keeps vendors active and engaged. Communicating equally with each vendor is critical so no vendor has a competitive advantage. Quotes may be accepted by any method, but the purchaser soliciting them must document all contacts and forward the information to the Purchasing Manager for the official files. The official signed Purchase Order, complete with Terms & Conditions, is printed in the Purchasing Office. Full system (Banner) authorization is required prior to sending the Purchase Order or communicating the Award.

2. If a formal contract is drawn up for this level purchase, it may only be signed and executed by the College President, Chief Financial Officer, or an authorized designee.

C. Large Procurements:

1. The Purchasing Manager has oversight responsibility for the Solicitation, Evaluation, Contract and Award and must be involved to ensure compliance with applicable policies and statutes. A Purchase Order and Formal Contract are required. The appropriate Solicitation type (e.g., RFI, RFB, RFP) and Contract type (e.g., PSC, PKS, CM/GC) are selected as most appropriate to the purchase.
2. The formal Solicitation shall be made in writing and be advertised on the Oregon Purchasing Information Network (ORPIN) and other avenues to ensure market coverage and fair market competition. Formal written responses will be accepted by the Purchasing Manager or designee. Responsive Bids or Proposals will be evaluated by UCC staff as facilitated by the Purchasing Manager. Contract Documents are submitted for legal review when necessary.
3. Full system (Banner) approval is required prior to order placement, award, or contract execution.
4. The College's Board of Education, acting as the Local Contract Review Board (LCRB) will be notified throughout the solicitation process.
5. The official signed Purchase Order with Terms & Conditions is included with the contract documents.
6. All related documentation and correspondence are kept in Purchasing Department files in accordance with BP 600.04, Records, Retention, and Destruction.
7. Contracts at this level may only be signed and executed by the College President, Chief Financial Officer, or authorized designee.

SPECIAL RULES AND OTHER PURCHASE TYPES:

1. Fragmenting a Purchase:

Under no circumstances will UCC staff attempt to artificially divide or fragment a purchase in order to avoid Oregon Statutes as outlined above. (as per ORS279B.065 and ORS279B.070)

2. Credit Card Purchases: See AP 6331.

3. Standing Purchase Orders:

Purchases that generate multiple invoices for an extended time period may be generated as Standing Purchase Orders. The Purchasing Manager generates these with assistance from the originating departments generally during the first month of each fiscal year. All Oregon Statutes apply.

4. Order to Direct Pay:

When a Purchase Order is not possible and expediency is best practice, authorized staff may place an order (usually by phone or on-line) and accept an invoice. After confirming receipt of goods or services, authorized staff shall approve the invoice in DocuWare as per standard procedure. The approver's Banner authority must equal or surpass the invoice total. Direct Pay may only be applied to Small Procurements at the department level.

5. Proforma Invoice Payments.

Pay-in-Advance or Partial Deposits for goods and services is allowed only under exceptional circumstances and is evaluated by the Purchasing Manager and Office of Business Services staff on a case-by-case basis. Contact the Purchasing Manager prior to placing the order whenever a vendor requests this. This applies to all level of purchases.

6. Payment Terms:

UCC pays invoices with standard Net30 day terms. The College will accept discounted terms when negotiated by the purchaser and properly communicated to Accounts Payable.

7. College Store Purchases:

The College Store staff handle their own procurement activity. Goods and services purchased for departmental use remain governed by Oregon Statute and Community College Rules. Items purchased for resale are exempt from standard competitive bidding requirements per CCR.228. Items such as textbooks, which may include Intellectual Property or Copyrights, are exempt from that process per ORS 279A (2)(h) and CCR.212.

RESPONSIBILITY:

The Purchasing Manager is responsible for implementing and updating this procedure.

- i. Capital Goods – as defined here, are fixed assets of a tangible and durable nature at \$5,000 or greater, and are depreciable in value over time. All such purchases must be pre-approved by the Chief Financial Officer. These purchases generally require a Purchase Order.

- k. Traffic and/or parking violations, fines, and towing.
- l. Gasoline purchases when mileage is being reimbursed.

C. ADDITIONAL CARDHOLDER RESPONSIBILITIES:

1. Cardholders must obtain prior approval for expenses incurred on behalf of the College and paid with a business credit card, including but not limited to travel and lodging accommodations, conference registration, professional license and membership subscriptions, annual dues, etc.
2. Cardholders must obtain an itemized receipt for each purchase. Cardholders should be especially mindful of this when purchasing meals (refer to BP6330), as some restaurants will only return the summary receipt with the total and the tip. In this case, a detailed receipt which lists the meals and drinks purchased must be requested and retained.
3. Attach all receipts to the ***Credit Card Purchase Summary*** form – (found on the Office Business Services Webpage under Forms). The receipts are necessary to substantiate the expenditure and support allowability by the College, other funding agencies, and the IRS and will be made available for review by the College's external auditors or another government agency as needed.
4. In the event that a receipt is lost, cardholders must complete a ***Missing Receipt Affidavit*** and submit it along with the ***Credit Card Purchase Summary*** form – (both are found on the Office Business Services Webpage under Forms).
5. Documentation for, and monthly reconciliation of, all credit card purchase types are the responsibility of the cardholder.

6. Cardholders shall reconcile their purchases within seven (7) working days of receiving the credit card statement or communicate any delay to Accounts Payable staff.
7. Cardholders are ultimately responsible for the cards and all charges incurred. Report lost or stolen cards or associated data to the Chief Financial Officer as soon as possible after discovery. Cards shall be returned immediately to the CFO's office upon termination of employment.

a. In case of Fraud

In the event of any suspicion, report, or incident of fraud, contact the credit card company immediately using the phone number on the back of the card and follow their instructions. Once that is complete, report the incident to the Chief Financial Officer.

b. Use of Purchasing Department Credit Card

In a situation where an authorized purchase may exceed the local department's credit card limit, use of the Purchasing Department Credit Card may be requested. Contact the Purchasing Manager for assistance. Compliance with Statute and other limiting Policies remain in force.

RESPONSIBILITY:

The Purchasing Manager is responsible for implementing and updating this procedure.

ADMINISTRATIVE PROCEDURE

TITLE: Access to College Property

ADMINISTRATIVE PROCEDURE # 3501 *(was 613.01)*

RELATED TO POLICY # 3501

A. Access Definitions. Access to college facilities and programs is predicated upon a person's status as a student, employee, or visitor; the need to obtain access; and the type of activity conducted at the location.

1. **Employee Access:** Access to areas that typically contain sensitive equipment or data is based on a demonstrated need. Examples of limited access areas include Information Technology workspaces, mechanical rooms, faculty workrooms, employee lounges, private offices, storage rooms, and some labs.
2. **Mid-level supervisory administrators (typically assistant vice presidents, deans or directors)** responsible for a program or service area have responsibility to control access to those areas. These supervisory administrators may further restrict employee access to specific employees in areas such as private offices, offices handling cash, computer switch rooms, etc., dependent upon the activity occurring in a space.
3. **General Access:** Areas generally open to both college employees and students include classrooms, labs, gym, etc., during hours of operation designated by the Senior Leadership Team.
4. **Community Access:** Areas not designated as limited to employee or general access are available to the general public without the necessity of enrolling as a student, e.g., open spaces of the campus (indoors and outdoors), library, and college cafeteria.

B. Campus Business Hours

1. College campus hours are 6:00 a.m. to 10:00 p.m. for regular business days (i.e., Monday-Friday except for holidays or other closures).
2. All buildings are to be secured and the premises vacated by midnight except for essential personnel (security, custodial, and maintenance personnel). The Chief of Security is to be notified prior to any exceptions. Loitering on college property when the college buildings are closed is not allowed.

C. Campus Closures

1. Campus is closed during holidays and certain emergencies. The campus may be closed to the public during in-service
2. In the case of campus closures for emergencies, college property is not to be accessed by non-essential personnel without administrative authority, and check-in with Security is required before accessing any building.

D. Overnight Campus Access

Camping or sleeping overnight on college-owned or controlled property is not allowed unless approved in advance by the college president or designee.

E. Employee Access

1. Employees of Umpqua Community College have access to all college facilities and programs based on need, except areas designated as restricted. Only employees who have received authorization from the relevant dean or director supervising the restricted area may have access to areas identified as restricted.
2. Employee presence in a college building during non-business hours, other than for scheduled events, is discouraged. If employees must be present when the campus is closed, employees are required to notify Campus Security (7777) of their presence.
3. Employees of the college are not allowed to sleep overnight on college property.

F. Student Access

1. Students have general access, but may be granted restricted access based on an identifiable college need. Only persons enrolled in a given class or lab may attend that class or lab. Exceptions may be made by the college for special circumstances appropriate to the learning environment. Requests for exceptions will be directed to the appropriate dean or director for approval.
2. Students are not allowed to be present in a college building when the campus is closed

G. Visitor Access

1. Visitors have community access to college facilities as defined in this procedure, A.4 - Community Access.
2. Classes are accessible to paying/registered students only.
3. Events are accessible to paying/registered customers only.
4. Visitors are not allowed to be present in a college building when the campus is closed

H. Law Enforcement Access

1. Visitors representing state, local and federal law enforcement agencies searching for information related to a specific person or persons will be directed to the Chief of Security or designee. Agencies include, but are not limited to police departments, sheriff's offices, the Federal Bureau of Investigation, and Immigration and Customs Enforcement.
2. The Chief of Security or designee will follow state and federal statutes and college policies/procedures to determine the release of any information.
3. If a law enforcement agency representative visits a site where Campus Security does not exist, the law enforcement representative will be directed to the administrator responsible for the site. The administrator will work with the Chief of Security to determine the release of any information.
4. The President's office must be informed that an inquiry by law enforcement occurred.

I. Children's Access

See Administrative Procedure 3502.

J. Campus Security and Employee Responsibility

1. If it is believed that a person is in violation of Administrative Procedure 3501, Campus Security should be notified.
2. A security officer will determine if a person is in an area without appropriate access and take necessary action.

K. Keys and Access Cards

1. Access to secured college spaces is controlled by keys or electronic access cards. Distribution of keys and access cards to employees is based upon work-related need for entry to specific areas of campus.
 - a. Employees who need card or key access to college facilities must complete an Access Card/Key Request form.
 - b. Employees will identify the buildings and office/classroom spaces they need access to on the form.
 - c. The employee's director or dean plus the appropriate Senior Leadership Team member will authorize the issuance of keys or access cards by original signatures on the form.
 - d. The Access Card/Key Request Form will be forwarded to the Campus Security Department for issuance of the appropriate card or keys. Campus Security is the sole guardian of keys/cards, and all key/cards to UCC facilities will be issued only through the Campus Security Department.

- e. Normally, there will be a 24–48 hour waiting period after receipt of the request prior to issuing a key or access card.
 - f. All access cards and keys are property of the college and must be surrendered to the Campus Security Office when an employee terminates employment with the college before a final paycheck is issued.
 - g. Access cards and keys may be required to be surrendered by an employee for reasons other than termination of employment.
 - h. Loss of keys/cards must be immediately reported to the supervisor and Campus Security. The employee who loses a key/card may be charged for the costs of replacing locks.
 - i. Access cards and keys are issued to an individual and may not be loaned or transferred to another person. Loaning or transferring keys to unauthorized persons may be cause for disciplinary action or dismissal.
 - j. Possession of a key to any college facility does not give that employee unrestricted access to that area outside of normal working hours for any purpose except normal college business.
2. The Facilities Office is responsible for developing the over-all keying structure of campus buildings to ensure an appropriate hierarchy of key distribution and security of facilities. Keying plans are provided to Campus Security for distribution of keys to employees.

RESPONSIBILITY:

The Director of Facilities and Security is responsible for implementing and updating this procedure.

BOARD PROCEDURE

TITLE: CONFLICT OF INTEREST

BOARD PROCEDURE # 2710

RELATED TO POLICY # 2710 CONFLICT OF INTEREST

Board of Education members shall publicly announce the nature of a financial conflict of interest on the record prior to taking action on the issue before the Board as required by Oregon law. The type and nature of the conflict shall be recorded in the official minutes of the meeting.

Board of Education members may participate in discussion and may vote on an issue after announcing a **potential** conflict of interest publicly prior to taking action. If a Board of Education member announces an **actual** conflict of interest, the Board of Education member must refrain from any discussion or debate on the issue out of which the actual conflict arises and may not vote on the issue.

A. "Potential Conflict of Interest" – means any action or any decision or recommendation by a person acting in a capacity as a public official, the effect of which **could** be to the private financial benefit or detriment of the person or the person's relative, or a business with which the person or the person's relative is associated, unless the financial benefit or detriment arises out of the following:

1. An interest or membership in a particular business, industry, occupation or other class required by law as a prerequisite to the holding by the person of the office or position.
2. Any action in the person's official capacity which would affect to the same degree a class consisting of all inhabitants of the state, or a smaller class consisting of an industry, occupation or other group including one of which or in which the person, or the person's relative or business with which the person or the person's relative is associated, is a member or is engaged.
3. Membership in or membership on the board of directors of a nonprofit corporation that is tax-exempt under section 501(c) of the Internal Revenue Code.

- B. “Actual Conflict of Interest”** – means any action or any decision or recommendation by a person acting in a capacity as a public official, the effect of which *would* be to the private financial benefit or detriment of the person or the person’s relative or any business with which the person or a relative of the person is associated unless the financial benefit or detriment arises out of circumstances described above.
- C. “Relative”** – means spouse, parents, step-parents, children, siblings, step-siblings, sons-in-laws, daughters-in-laws, individuals for whom the board member has a legal support obligation, or anyone for whom the board member provides benefits arising from their service.
- D. “Business”** – means any corporation, partnership, proprietorship, firm, enterprise, franchise, association, organization, self-employed individual and any other legal entity operated for economic gain but excluding any income-producing not-for-profit corporation that is tax exempt under section 501(c) of the Internal Revenue Code with which a public official or a relative of the public official is associated only as a member or board director or in a nonremunerative capacity.

E. Gifts

Board of Education members and their relatives are prohibited from accepting gifts of a value greater than \$50 from a single source during a calendar year from any person that can reasonably be known to have a legislative or administrative interest in a decision before the Board of Education. Meals (food and beverage) and entertainment are considered gifts and are subject to the annual limitation.

1. The following are not considered gifts:
2. Campaign contributions.
3. Gifts from relatives or members of the public official’s household.
4. Unsolicited tokens or awards of appreciation if value is less than \$25.
5. Admission and meals provided to a public official when they are invited to attend a reception, meal or meeting held by an organization when the public official is attending as representative of the college. This exception does not apply to “private meals with small numbers of participants.”
6. Informational material, publications or subscriptions related to the public official’s position.
7. Expenses paid by a government entity, membership organization to which the college pays dues, or a non-profit corporation for attendance at a convention, fact-finding trip, or other meeting if the public official is delivering a speech, making a presentation, participating in a panel, or representing the college.

- a. “Representing” the college means that the public official is participating in an event on behalf of the college in their capacity as a public official.
8. Food, travel or lodging expenses paid to a public official, a relative, member of the household, or staff when the public official is representing the college on an “officially sanctioned” trade-promotion or fact-finding mission, or in official negotiations or economic development activities.
 - a. “Officially sanctioned” means written approval given by a person authorized by the public body to give approval such as a supervisor or the college’s Board of Education.
 9. Expenses provided by a public official to another public official for travel in state to and from an event that is related to the person’s official office and in which that person participates in their official capacity.
 10. Food and beverage provided at a reception (e.g. social gathering) where the food and beverage are an incidental part of the reception.
 11. Entertainment that is an incidental part of another event or in which the public official has been invited to participate in their official capacity (i.e., throwing out the first ball at a baseball game).
 12. Gifts offered as part of the usual and customary practice of a person’s private business, employment or volunteer position that bears no relationship to the public official’s official position.
- F. “Gift”** means something of economic value that is offered to a public official or to relatives or members of the household of a public official or candidate without cost or at a discount or as forgiven debt and the same offer is not made or available to the general public who are not public officials.
- G. “Legislative or administrative interest”** means an economic interest, distinct from that of the general public, in any matter subject to the decision or vote of the public official acting in the public official’s capacity as a public official.

H. Nepotism

A Board of Education member is prohibited from participating in any personnel action taken by Umpqua Community College that would impact the employment of a relative or member of the public official’s household, and must follow the conflict of interest requirements above. A Board of Education member may not participate in the following personnel actions: appointing, employing or promoting; discharging, firing or demoting; interviewing; discussing or debating the appointment, employment, promotion, discharge, firing or demotion of a relative or member of the household. This prohibition does not apply to relatives or members of the household who serve Umpqua Community College as an unpaid volunteer.

- I. Contracts Supported by Federal Funds** (2 Code of Federal Regulations Part 200.318(c)(1))
- J.** No Board of Education member or agent of Umpqua Community College may participate in the selection, award, or administration of a contract supported by a federal award if they have a real or apparent conflict of interest. Such a conflict of interest would arise when the Board member, or agent, any member of their immediate family, their partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The Board members and agents of Umpqua Community College may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. Disciplinary action will be taken for violations of such standards by Board members or agents of Umpqua Community College.
