NEW BUSINESS

Board approval was requested for the Diversity, Equity, & Inclusion Plan 2020-23. The plan, which has been in construction for about two years, is to help the College create diverse working and learning environments that are successful. Four actions are emphasized: trainings, examination of policies and procedures, applying DEI principles in classrooms, and the use of data in decision-making and practices. The document is a “living” document and will be updated annually. Discussion focused on the socio-economic diversity of the community.

MOTION: I move to approve the Diversity, Equity, & Inclusion Plan 2020-23 as presented. Motion by Dir. Lathrop, seconded by Dir. Mills, and unanimously approved.

President Thatcher presented the first reading of policies. 6316 Debt Issuance and Management was approved in March but failed to mention it was replacing an existing policy. 3550 Drug Free Environment and Drug Prevention Program is required by federal regulations.

Natalya Brown, Chief Financial Officer, introduced the auditors from Moss Adams, Kevin Mullerleile and Scott Simpson. Mr. Mullerleile commended Ms. Brown for the awesome job amidst challenges (departmental turnover, COVID-19, and wildfires). Everyone has been resilient and they appreciated her team’s efforts in preparing the financial statements. The results of four reports were shared which indicated the College followed generally accepted accounting principles, no adjustments were needed on the financial statements, there were no compliance findings to report, and the College was within budget and state compliance. There were no disagreements with management, no unresolved accounting matters, and no audit adjustments identified. It is a clean audit with nothing negative to report.

MOTION: I move to accept the 2019-20 Audit Report as presented. Motion by Dir. Mills, seconded by Dir. McDonald, and unanimously approved.

Facebook Live-Stream

Board Chair Steve Loosley explained the two segments of the Board Retreat: 1.) The public portion will focus on Accreditation; and, 2.) an executive session will be held regarding bargaining per ORS 192.660(2)(d).

President Thatcher provided an accreditation update using a PowerPoint slide presentation. The update included information on the accreditation process and standards. Additional information such as next steps, PRFR (policy, regulations, and financial review), Governance and Board PRFR efforts, and preparations for the 7-Year Evaluation of Institutional Effectiveness report and visit were also reviewed. A brief discussion included the Board's responsibilities with the budget.

Other topics were briefly mentioned:

- An enrollment update on the start of winter term was given by President Thatcher.
- A new federal relief package will be coming in about a month and should be about twice the amount to the previous CARES Act funding. A plan of distribution will be developed.
- OCCA legislative calls begin soon. President Thatcher will be participating; arrangements will be made for a substitute UCC participant for just a couple of the calls she is unable to attend.
- President Thatcher reviewed which classes are meeting on campus and the approval process to do so. Remote learning is being planned for spring term. A decision regarding summer and fall classes will be made in a couple of months. Student athletes may have a few events such as track or baseball and it is hoped that April competitions will be allowed. The coaches have been very successful in keeping the students engaged.
- The presidential search remains open until the position is filled; this is anticipated to happen in March or April. January 4 was the suggested date to submit an application that will receive full consideration. Thus far, over 80 applications have been received. The search committee is planning for an adequate consideration of all applications.

At 1:39 p.m. citing ORS 192.660(2)(d), Chair Loosley began the executive session to conduct deliberations with a person designated by the governing body to carry on labor negotiations.

UMPQUA COMMUNITY COLLEGE
BOARD MINUTES
January 15, 2021

The Umpqua Community College Board of Education met on January 15, 2021, via Zoom conferencing; the meeting was live-streamed on Facebook. Board Chair Loosley called the meeting to order at 12:01 p.m.

Directors present: Guy Kennerly, Doris Lathrop, David Littlejohn, Steve Loosley, Twila McDonald, and Randy Richardson

Director excused: Erica Mills

Others present:

Debra Thatcher, Robynne Wilgus, Chase Gilley, Jess Miller, Natalya Brown, and Facebook livestream

Changes to the agenda: an additional item related to the presidential search will be discussed after Resolution No. 8.

NEW BUSINESS

Natalya Brown, Chief Financial Officer, requested Board approval of Resolution No. 8 – Declaration of Emergency that is related to the landslide that occurred on campus on January 6, 2021. Approving the resolution will allow the College to take certain actions that will speed the required repairs and mitigate the risk of injury or accident to College students, staff, and campus visitors. Immediate efforts of addressing the damage and the rerouting of utilities was explained by Jess Miller, Director of Facilities.

MOTION: **I move to approve the Resolution No. 8 – Declaration of Emergency, as presented. Motion by Dir. Littlejohn, seconded by Dir. Kennerly, and unanimously approved.**

Chair Loosley requested Board approval to add a preliminary screening rubric as another filter layer of objective criteria for the ad hoc committee's use in narrowing down the number of applications to be reviewed by the Presidential Search Advisory Committee. Using the basic minimum criteria previously approved in the presidential profile yielded 72 eligible applications out of the 89 that were received. It is important to narrow the applications to a smaller manageable list in order for the Search Advisory Committee to provide careful consideration. The rubric rates the applicant in the following categories: 5 years leading people, demonstrates increasing responsibilities, senior leadership team experience in higher education environment, experience leading teams larger than 20 people, experience in education administration, and experience in accreditation. Board discussion considered the process of using the rubric, the value of using subjectivity, the importance of being fair and equitable, being transparent, and allowing opportunities for feedback.

MOTION: **I move to approve the use of the preliminary screening rubric, as presented. Motion by Dir. Kennerly, seconded by Dir. Richardson, and unanimously approved.**

There were no Board comments.

Meeting adjourned at 12:29 p.m.

QUARTERLY BOARD REPORT
January 2021

- Major Successes:
 - The business process management tool named Laserfiche has been selected for the Paperless campus tactic. The contract has been signed, implementation of the infrastructure has started, and training is scheduled to begin in February.

- Tactical Projects update:

We will complete the finance department early next week and move to the Library and HR department in the next two weeks. ADVANCEMENT PRESIDENT'S REPORT

February 2021

Tiffany Coleman, Director

Advancement (includes Communications & Marketing and the UCC Foundation):

Strategic Plan Progress

A staffing challenge has led to changes on Goal 4: Create an alumni relations program. Work in this area has been transferred from the UCC Foundation to the College. Prior to this time, alumni relations was a partnership between the two entities. Moving forward, it will be absorbed by the Advancement/Communications & Marketing team. A large amount of behind-the-scenes work has been taking place on the UCC website. The website is the College's top marketing and communications tool. As we move forward with a heavier reliance on technology, a major overhaul on the website will better serve our internal and external audiences. A preliminary design will be shared with the campus leadership team in March.
