

BOARD POLICY

TITLE: COMMUNICABLE DISEASE - STUDENTS

BOARD POLICY # 5210

The College cooperates with local public health officers in measures necessary for the prevention and control of communicable diseases in students. The College complies with any immunization program required by Oregon Health Authority regulations.

The College shall take action involving persons who have communicable diseases based on current and professionally informed medical judgments concerning the disease, the risks of transmitting the illness to others, the symptoms and special circumstances of each individual who has a communicable disease, a careful weighting of the identified risks, and the available alternative(s) for responding to the person(s) with a communicable disease.

Certain College programs, as a condition for participation, may require vaccinations and other medical interventions as determined by the program.

RESPONSIBILITY:

The Dean of Student Services is responsible for implementing and updating this policy. Specific guidance for policy implementation may be found in the associated Administrative Procedure(s).
