# Hope Center: RealCollege Survey

- How does basic needs insecurity prevent students from achieving their educational goals?
- Annual assessment of college students' access to affordable food and housing
- Endorsed and paid for by the Oregon Presidents Council
- 14 of 17 Oregon community colleges participated

# Basic Needs Insecurities

- Food insecurity - the limited or uncertain availability of nutritionally adequate and safe food, or the ability to acquire such food in a socially acceptable manner.
- Housing insecurity includes a broad set of challenges such as the inability to pay rent or utilities or the need to move frequently.
- Homelessness means that a person does not have a stable place to live.

# Oregon Participation

	UCC	Oregon
Students invited	1,800	63,500
Student participants	253	8,100
Response rate	~14%	~13%

# Overall Basic Needs Insecurity Rates

- 54% of respondents experienced food insecurity in the prior 30 days
- 62% of respondents experienced housing insecurity in the previous year
- 28% of respondents experienced homelessness in the previous year

**HOMELESS**  
IN PLAIN SIGHT

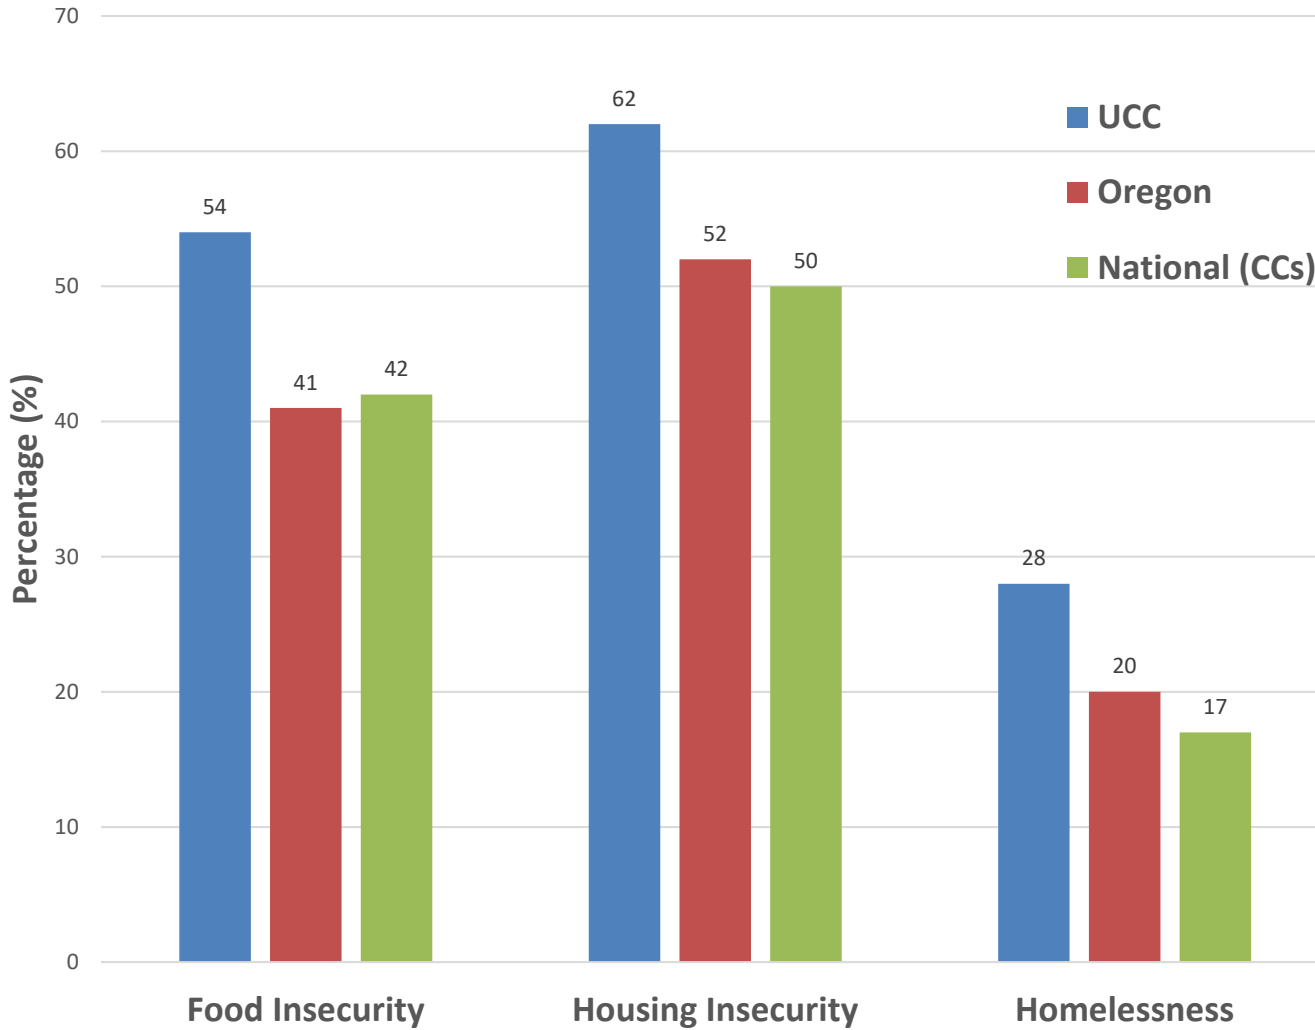

# Insecurity Rates

- 74% of students at UCC experienced at least one of these forms of basic needs insecurity in the past year
- 33% of food insecure students utilize SNAP benefits and 0% of homeless students utilize housing benefits.

## Comparison of Basic Needs Insecurity Rates

Source: 2019 #RealCollege Survey

# Next steps

- Oregon work group
- Assess existing supports on campus
- Add basic needs security statement to syllabi
- Expand public benefits access to students
- Create a centralized basic needs webpage
- Centralize fundraising for emergency aid

# Benefits to supporting basic needs

- Boosts academic performance
- Promotes retention and program completion
- Reduces barriers faced by adult students
- Helps faculty and staff because students can focus on learning
- Creates bridges between the college and community organizations
- Generates new philanthropic giving and creates opportunities to engage alumni in contributions to emergency aid
