## BOARD POLICY

---

---

**TITLE: ATTENDANCE**

**BOARD POLICY # 5070** *(was 704 Withdrawals)*

---

---

Students are considered “in attendance” for classes that their academic record shows they are registered for in the second week of the term.

For purposes of this policy, “in attendance” refers to registration in courses, not to students’ physical presence in classes.

Students discontinuing attendance without officially withdrawing through the Registration and Records Department will still be responsible for the costs associated with the course and may receive failing grades, depending on course grading structure.

**RESPONSIBILITY:**

The Director of Records and Registration is responsible for implementing and updating this policy. Specific guidance for policy implementation may be found in the associated Administrative Procedure(s).

## ADMINISTRATIVE PROCEDURE

**TITLE: Attendance**

**ADMINISTRATIVE PROCEDURE # 5070** *(was 704 Withdrawals)*

**RELATED TO POLICY # 5070 ATTENDANCE**

---

---

### **Student Attendance**

- A. Regular attendance is an obligation assumed by every student at the time of registration. Leaves of absence of one week or longer for health or personal reasons must be requested from the Dean of Student Services or designee. Students who withdraw from classes are responsible for initiating the drop process by appropriate deadlines.
  
- B. Students are expected to attend the first class meeting. Students who are not in attendance at the first class meeting are considered “no-shows” and the faculty may drop such persons in order to give their seats to non-registered students seeking to enroll. Also, a faculty member may withdraw a student from term length courses at any time for excessive absence through the 6th week of the Fall/Winter/Spring terms, and the 60% point of the class for Summer and courses less than 11 weeks in length.
  
- C. As a guideline, absence is considered excessive if a student misses three class meetings or the equivalent of one week of class attendance, or according to absence guidelines as published in the course syllabus, with the exception of a student who is approved for a disability-related attendance adjustment accommodation.
  
- D. Absence due to a verified illness, or a disability-related attendance adjustment accommodation, may be accepted as an excused absence for a limited period of time.
  
- E. Students are expected to notify faculty by e-mail and/or phone message if they are absent for a medical reason. Students are expected to make appointments for medical and dental treatments at times other than when classes are scheduled. Students anticipating or encountering extended absences due to medical, personal, or family emergencies should contact the Dean of Student Services or designee.

F. It is the student's responsibility to officially withdraw according to the procedure listed in 5075AP. Students failing to officially withdraw by the deadline may receive an "F" grade.

### **Religious Accommodations**

The College shall permit any student who is eligible to take a test or examination, without penalty, at a time when that activity would not violate the student's religious creed. The student shall notify the instructor before the religious holiday. This requirement shall not apply in the event that administering the test or examination at an alternate time would impose an undue hardship which could not reasonably have been avoided.

## ADMINISTRATIVE PROCEDURE

**TITLE:** Transfer

**ADMINISTRATIVE PROCEDURE #** 5120

**RELATED TO POLICY #** 5120 TRANSFER

Each student is responsible for understanding the program requirements at their prospective transfer school and to keep abreast of changes in those requirements. Students should periodically contact the UCC Advising Services department and their intended transfer institution for updates. Careful planning and utilization of campus resources will significantly improve the transfer process.

### **Transferring UCC Credits to another institution:**

**Direct Transfer of Credits:** When a student opts for direct transfer, UCC courses are evaluated and accepted on a course-by-course basis by the transfer institution. A current articulation agreement can permit for bulk transfer of credits to partner institutions.

Those students desiring to transfer to another institution must meet the admission requirements for their transfer institution. Students should contact their transfer institution's enrollment services office to assist with navigating the enrollment process.

### **Transferring Credits from another institution to UCC:**

Students desiring to transfer credits into UCC should submit official transcripts to the Registration and Records Department for official review. Credit acceptance is dependent upon the discretion of the Director of Registration and Records.
