Self-support – bargaining unit members as defined in Section A whose position in a department/program designated as self-support (i.e. cafeteria, bookstore) is funded greater than 0.5 FTE by sources other than general fund or tuition. The term of employment will be clearly designated on the employee’s hiring documentation with continuing employment contingent upon funding.

Temporary – bargaining unit members, as defined in Section A, who are hired by the College for a specific job assignment involving a limited period of time, not longer than one year. This may include temporary positions funded by grants, but does not include regular grant funded employees as defined in Article I. D. SUBCONTRACTING

The College shall notify the Association, prior to any Board action, if at any time they are considering the contracting out of bargaining unit work/positions. After such notification, the College will enter into discussions with the Association to provide the opportunity to suggest alternatives to subcontracting. If, after discussions have been completed, the College determines to contract out bargaining unit work/positions through Board action, the College shall enter into immediate negotiations under ORS 243.698 over the impact of such decision.

ARTICLE 2 - ASSOCIATION RIGHTS

A. USE OF COLLEGE FACILITIES

The Association and its representatives shall have the right to use College facilities for meetings. College facilities shall be scheduled in advance when they are required for meetings. E. PRESIDENT'S OPPORTUNITY TO SPEAK AT BOARD MEETINGS

The President of the Association or his/her designee may give a monthly presentation to the Board of Trustees at each regular Board meeting on relevant issues. Comments will be made with professionalism and a level of trust. This contractual right does not waive the Association's President or his/her designee from speaking during the public input portion of the Board's agenda.

F. ACCESS TO INFORMATION

The Association shall be furnished agendas, minutes, budget documents and other written materials falling within the provisions of the Oregon Public Records Law, ORS 192.420 et seq. and the Public Employee Collective Bargaining Act, specifically ORS 243.672 (1)(e).

The College and the Association shall establish a joint Labor/Management Committee composed of an equal number of College and Association representatives. The committee will meet monthly during the academic year for the purpose of discussing issues and concerns that could impact the College and/or Association bargaining unit members. Agreement, if any, shall not have contractual force or effect unless a modification of the contract is written and signed by both parties. The committee will not be a substitute for the grievance procedure.

J. ASSOCIATION BUSINESS

1. Whenever any representative of the Association participates in negotiations, grievance proceedings, conferences, meetings with the College or other union activities for a reasonable period during their regular workday, they shall suffer no loss in pay or disciplinary action in accordance with applicable law. "Reasonable period" shall be as set forth in Section J.2, below.

ARTICLE 6 - ASSOCIATION DUES AND FAIR SHARE

A. ASSOCIATION DUES

- 1. All employees covered by the terms of the Agreement may voluntarily join the Association as a member. Any employee who is a member of the Association may authorize deductions of membership dues in the Association (ACEUCC/OEA/NEA). The College agrees to deduct dues, fees and assessments in the amount determined by the Association from the compensation of employees who individually authorize such deductions in writing to the Association. At the request of the College, the Association will allow the Colleges Human Resources Office to inspect such individual authorizations. Prior to the first dues deduction of the school year in the fall term, and then for any employee who becomes a member of the Association after the start of the fall term, the Association shall verify such individual authorizations for deductions and shall notify the Human Resources Office of the names of the bargaining unit members who have elected to have dues deducted from their paychecks. The Association's obligation does not extend to criminal allegations or actions brought against the College by the Association. In the event the College wishes to use its own attorney, the College will pay the fees and costs of said attorney.

ARTICLE 7 - EMPLOYEE RIGHTS

A. CRITICISM OF PERFORMANCE

Violation of this section is subject to the grievance procedure.

B. REQUIRED MEETINGS

Employees who request Association representation shall be entitled to have an Association representative present to advise and represent them during any such meeting in accordance with the parameters for representation rights established by the Employment Relations Board.

The right to Association representation does not arise when:

1. The employee is being given instructions, assignments, training or being informed of expectations or needed corrections.

The College may, however, permit an Association representative to be present.

Such representation shall be provided by the Association within a reasonable period of time (normally no-more than three (3) College business days after the employee is notified of the meeting. If the College determines that the complaint could lead to discipline, the employee will be notified of the nature of the complaint in writing within five (5) days and will be given opportunity to respond to and/or rebut the information provided before a decision is made with regard to whether disciplinary or other corrective action will be taken.

2. Meeting with Complainant

The employee or administrator may request a meeting with the complainant(s). In such case, the administrator in charge of processing the complaint will convey that request to the complainant unless there are other reasons why such meeting should not be scheduled. The meeting will proceed at the option of the complainant(s). Regardless of the results of any meeting involving the complainant(s) and the employee, the College is not precluded from proceeding to disciplinary action (written reprimand, suspension, or dismissal) if there is just cause for discipline of a regular employee or for any reason the College deems appropriate for the discipline of a probationary employee.

reprimand, provided the employee has not been disciplined for the same or similar conduct during that period. Disciplinary actions involving suspensions, performance improvement plans, and demotions shall, upon written request of an employee, be expunged from the employee's personnel file at the end of five (5) years from the date of issuance of such action, provided the employee has not been disciplined for the same or similar conduct during that period.

B. VACANCIES

1. Whenever the College determines that a vacancy exists in a current or new bargaining unit position, the College will first determine if the position will be filled through recall, and, if not possible via recall, will post the vacancy notice electronically.

ARTICLE 11 - EMPLOYEE EVALUATION

It is encouraged that during the evaluation cycle that the employee and supervisor engage in discussions in an ongoing basis about performance and expectations. The evaluation process should be seen as a communication tool between supervisor and employee, a formal opportunity to review the employee's job description and work activities, and an opportunity for employee self-improvement. In addition, the evaluation provides a record of the employee's performance for the employee personnel file.

A. EVALUATION FORM

Evaluation of employees shall be in accordance with a standardized Classified Employee Evaluation Form provided by the Human Resources Office. Additional information in narrative form may be included at the option of the supervisor or of the employee in the "Employee Comments" section.

No performance evaluation or identified need for improvement is considered formal unless the

supervisor has worked through the process with the Human Resources Director.

B. TIMING

1. All probationary employees shall be evaluated half-way through the probationary period to specifically address areas of performance before reaching regular status. The evaluation serves as a communication tool for the supervisor and employee.

3. In instances where any component of a regular employee's job performance has been listed as unacceptable on the evaluation, the employee will be given a minimum of at least one month to meet acceptable standards. The employee will be issued a follow-up progress report on that component alone within six (6) months of the previous evaluation.
4. The employee shall sign the evaluation form at the conference and be given a copy of the evaluation and any supporting documents at that time. Such signature shall only indicate that the employee has read the evaluation.

D. EMPLOYEE COMMENTS

The employee shall have the right to make any written comments on the evaluation. Upon request, the supervisor will grant a conference to discuss the employee's written comments. The employee may have an Association representative in attendance at that conference. The supervisor may have another College supervisor or administrator in attendance at that conference. The comments shall be attached to the evaluation in the personnel file.

ARTICLE 12 – REDUCTION IN FORCE

A. LAYOFF

1. Preliminary Notice

- a. In the event College administration determines that reduction in force may be necessary, but prior to any College Board action authorizing implementation, the College shall notify the Association of the intended reduction in force. The notice will include the reasons and justifications for the proposed action, the specific position(s) to be affected, and the contemplated time schedule for the action(s). The College will then schedule meeting(s) with the Association to discuss and consider alternative actions. (such as reassignment, transfer to another position or retraining). These meetings will occur within thirty (30) days of the notice, unless extended by the College.

3. 0.5 FTE or greater probationary employees in that position.
4. Regular 0.5 FTE employees in that position.
5. Regular 1.0 FTE employees by position.

The College will determine whether the positions which remain after a reduction in force will be staffed at full-time or represented part-time levels. In the event this determination results in a more senior full-time employee being offered a part-time position and the full-time employee does not want the part-time position, they will be placed on the recall list.

Probationary employees who are laid off and later recalled must serve their full initial

probationary period in order to attain regular employment status with just cause rights.

C. PROCEDURE OF LAYOFF

1. The College shall determine the position(s) to be reduced.
 - a. When there is more than one employee in a position selected for reduction, layoffs shall be in reverse order of seniority subject to the order listed in Section B above, except where a lower seniority employee possesses special certification(s) or other skills and ability that the college needs to retain. However, the more senior employee shall have the right to obtain or demonstrate the needed certification(s) or other special skills and ability prior to the effective date of the layoff in order to retain employment.
 - b. When there is only one employee in a position selected for layoff, that employee will be laid off.

Employees who are offered a vacant position shall be placed on probationary status for a period of three (3) months unless the employee has occupied the position within the preceding five (5) years and successfully completed probation. The probationary period may be extended for an additional three (3) month period. In the event the College determines that the employee is not satisfactorily performing the duties of their new position at any time during their probationary period, the employee will be laid off and placed on the recall list.

In the event that more than one laid off employee is qualified for the position, the employee with the greatest bargaining unit seniority shall be offered the position first and continuing in that order.

2. An employee may voluntarily request to be substituted for another employee in the same job position and FTE status who has been notified of layoff. All such requests are subject to approval at the discretion of Human Resources. An employee approved for voluntary layoff will waive all layoff, bumping and recall rights.

For the purposes of placement on steps on the Wage Schedule, employees will be credited with their length of service in the job they held immediately prior to layoff and will be placed on the same step on the Wage Schedule in their new position.
3. Employees who bump into another position shall be placed on probationary status for a period of three (3) months. The probationary period may be extended for an additional three (3) month period unless the employee has occupied the position within the preceding three (3) years and successfully completed probation. In the event the College determines that the employee is not satisfactorily performing the duties of their new position at any time during that period, the employee may be laid off and placed on the recall list.
 4. Employees who are laid off as a result of bumping are not entitled to receive forty-five (45) days' notice of layoff.

E. RECALL

2. Direct Recall

Employees who are laid off shall be recalled in order of bargaining unit seniority, as positions become available in their former position or in other positions in the same or lower wage grade that they are qualified to fill. Employees shall choose to receive recall notices by email to their personal email address or by next day delivery mail. Employees must confirm their choice of notification through written notification (email) to the Director of Human Resources prior to the effective date of their layoff. Employees who do not specify a preference will be presumed to have selected email notification.

Employees must notify the Director of Human Resources or designee of their decision to accept a recall opportunity within five (5) business days from the date the recall notice was sent. If no notification is received by that date, the recall shall be presumed to be declined. Employees who were less than 1.0 FTE before layoff shall not be recalled to vacant positions of 1.0 FTE but may compete for those positions through the application process. Employees who do not accept a recall to the position they held when they were laid off, forfeit all recall rights. Employees who do not accept recall notices to positions in the same or lower grade will remain on the recall eligibility list for the remainder of their eighteen (18) month recall period.

3. Potential Recall

If an available position is not filled through the direct recall procedures above, the position shall be considered vacant. All employees on recall status are eligible to compete for any vacant position as internal candidates. Vacant positions will be posted on the College website and will be accessible by both active and laid off employees. Laid off employees will be responsible for accessing the internal recruitment site and following College procedures for completing the application process.

However, upon recall, the College will recognize all previous seniority, sick leave accumulation, years of service for vacation accrual, and the employee's length of service in the salary step at the time of layoff with the addition of any step earned upon return.

F. GRANT FUNDED / SELF-SUPPORT POSITIONS

1. For the purpose of bumping, layoff and recall, an employee who is hired into a "self-support" position (e.g., cafeteria, bookstore, community education) shall have the same bumping and recall rights as regularly funded (general fund) employees.
2. Notwithstanding other provisions of this Article, employees in positions that are regularly funded or self-support funded shall not have bumping or recall rights into grant funded positions, nor shall grant funded employees have bumping or recall rights into regularly or self-support funded positions.

During the term of this Agreement, if the College is implementing a substantial change or a new position is to be created, the pay grade for that position shall be subject to negotiations as follows: A copy of the substantial change/new position description shall be submitted to the Association in writing along with the proposed wage grade. Written notice may be made in Labor Management Committee meetings. The Association shall have ten (10) business days from receipt of such notification to demand bargaining over the wages to be paid for the new or substantially changed position. If the Association fails to demand bargaining in writing within ten (10) business days, the College's proposed wage range shall not be subject to negotiations during the term of the contract.

Bargaining will take place under ORS 243.698.

D. CLASSIFICATION REVIEW

1. Initial Reclassification Request

- a. If an employee believes that their job has changed such that it requires a substantially different level of skills, ability, or level of responsibility than existed when the pay for the job was last bargained, the employee may file a Reclassification Request Form with Human Resources. Such request should include those changes in duties, responsibilities, functions, requirements, and/or working conditions that cause the employee to believe his/her position should be reclassified. The current and proposed job description should be attached.
- b. Within twenty (20) business days, the Labor/Management Committee and the Human Resources Director shall jointly make a decision on the request. The Human Resources Director will then communicate the decision to the employee and supervisor. The Appeals committee shall meet within twenty (20) business days, or a mutually agreed upon schedule, from the date the appeal is filed to review the appeal. A majority vote of the Appeals Committee will determine the final outcome and the written findings will be placed in the employee's personnel file.
- e. Members of the Reclassification Appeals committee may be substituted because of potential conflicts of interest and/or to meet reclassification deadlines.

3. Reclassification Request/Appeal Results

- a. If a reclassification request/appeal determines that a higher level of skill or ability or responsibility is required of the employee than when last bargained, the College may reduce the level of responsibility or required skill or ability or may bargain with the Association over the appropriate pay rate.
- b. All reclassifications that result in a higher wage grade will be paid retroactive to the date that the reclassification request was filed. Placement on the new wage grade will be at their current step in the new wage grade.
- c. If an employee's current position/duties are reduced as described in D.3.a, the employee shall be paid at the higher level for the days worked in the higher skill, ability, or level of responsibility for the period beginning sixty (60) business days prior to the reclassification request or the date when the change to higher duties occurred, whichever is less, and ending on the date when the duties were reduced.

Depending on the situation, other persons may be included, or a greater period of accumulated sick leave may be allowed at the discretion of the President or designee.

4. When an employee is absent in excess of five (5) consecutive working days or the College has reason to believe the employee is engaging in a pattern of abusing sick time, certification by a health care provider may be required. Certification should document that the employee is unable to work for a reason stated in Section A.1, above. -Employees who are uncertain whether a particular absence is covered by sick leave must consult with the Human Resources Office.
5. Either the Human Resources Director or the employee may initiate discussion regarding the use of FMLA/OFLA leave of absence (see information on FMLA/OFLA following in Article 20) and how it may be appropriately applied.

Employees may be required to have their health care provider complete a medical certification form to support the use of FMLA/OFLA leave and to obtain a second or third opinion as provided by law. An employee may also be required to provide a fitness for duty certification before returning from such leave.

6. When employees are to be absent, they shall notify, if possible, their immediate supervisor at the earliest possible time to minimize the impact to students and other College employees.
7. Employees who are absent from work are required to enter the applicable type of leave electronically in the College timekeeping system.
8. Sick leave may be used to cover absence due to on-the-job injury or occupational illness. Sick leave may be used for the waiting period before workers compensation time loss payments begin as well as the differential between the amount of workers' compensations time loss payments and the employee's regular gross wages.

9. Full-time employees hired from other schools and colleges within Oregon may transfer up to ten (10) days of sick leave accumulated with that school to Umpqua Community College.
10. Part-time employees shall earn sick leave per month worked based on their scheduled FTE (FTE x 8). This sick leave shall be allowed to accumulate to a maximum of one year's equivalent hours (e.g. 0.5 FTE x 8 hours x 10 months worked = 40 hours).

B. BEREAVEMENT LEAVE

1. A full-time employee will be granted three (3) in-state, or five (5) out-of-state days of leave without loss of salary for the death of any member of the employee's family as defined in Section A. 1. above, or any other person who has lived with the family for a significant period and is considered a family member. If an eligibility question arises, the Director of Human Resources will review and approve requests.
2. Employees will also be entitled to use up to eighty (80) hours of sick leave for bereavement to grieve, attend funerals/bereavement events or make funeral arrangements for the loss of an immediate family member, provided the leave is taken within sixty (60) days of notice of death as required by OFLA. Bereavement leave granted pursuant to B.2, above will run concurrently to the extent permitted by law.
3. Additional days of bereavement leave that are granted shall be deducted from the employees accrued vacation days or personal leave.

C. JURY DUTY AND OTHER COURT APPEARANCES

1. An employee shall be granted leave with pay for required appearances in court or hearings resulting from a subpoena to appear to testify where the employee is not personally involved in the action as the plaintiff, the defendant or the object of the investigation. Any remuneration excluding expenses received for such appearances shall be endorsed to the College.
2. During the period of time an employee is on jury duty, they will be responsible for reporting for duty at the College on those days when they are not required to report for or is are excused from jury duty.

D. PERSONAL LEAVE

After the first six (6) months of employment, each full-time employee shall be entitled to use sixteen (16) hours of additional personal leave during the remainder of the fiscal year. Beginning July 1st of the next fiscal year, full-time employees shall receive twenty-four (24) hours of paid personal leave and part-time employees shall receive eight (8) hours of personal leave per fiscal year. The employee shall not be required to state the reasons for said leave. This leave does not accumulate from year to year. Any personal leave not used in a fiscal year will be forfeited. Arrangements must be made in advance as mutually agreed

with the immediate supervisor.

E. MILITARY LEAVE

Military Leave shall be granted consistent with applicable state and federal laws.

F. SICK LEAVE

1. Full-time employees may donate a yearly maximum of forty (40) hours of their accrued sick leave credits to the sick leave bank to be used for sick leave donations to other College employees. An employee member may receive a yearly maximum of 240 hours of donated sick credits. This will assist an employee member in getting through a difficult illness or family situation and enable them to return to work. The employee member donating must maintain a minimum balance of forty (40) hours of sick leave, which they cannot donate.
2. Employee members are eligible to receive sick leave donations if:
 - a. They are eligible to receive sick leave, including sick leave differential payments pursuant to Section A.10, above.
 - b. They are not eligible for long term disability.
 - c. They have exhausted all of their sick leave, personal leave days and vacation days.

6. Employee members wishing to request or donate sick leave credits should contact the Director of Human Resources. The sick leave account will be maintained by the Payroll Department.

ARTICLE 20 - UNPAID LEAVES OF ABSENCE

A. EXTENDED LEAVE OF ABSENCE

1. Upon request, an employee may be granted an extended leave of absence without pay or benefits for up to one (1) year with written approval of the Director of Human

Resources and may, upon written approval by the Director of Human Resources and College President, be granted a further extended leave for up to an additional year.

Such leaves are subject to approval at the discretion of the Director of Human Resources and College President. Employees who are eligible for OFLA, FMLA or other types of leaves of absence required by law will be granted appropriate leaves under such laws and will not be placed on unpaid extended leaves of absence, except in accordance with reasonable accommodation obligations or other legal obligations.

2. Except in emergency situations, requests for such leave shall be submitted to the Director of Human Resources in writing at least two (2) months in advance of the date on which the leave is to commence. The response to such request will be given to the employee in time to allow the employee adequate time to make necessary arrangements prior to the period for which the leave is being requested.
3. While on such unpaid leave (greater than 12 weeks), the employee shall be issued a COBRA insurance continuation notice and allowed to continue to be covered by the College's insurance programs at the employee's expense.
4. Upon return to the College, the employee will be placed in the same job position as was vacated for the leave. However, an employee returning from leave shall not have the right to reinstatement if the employee's position ~~is~~ has been eliminated or filled by a more senior employee due to a reduction in force while the employee is on leave. In such situations, the employee will be placed on the recall list and will have recall rights in Article 12. Reduction in Force.
5. Upon return to the College, the employee will be reinstated at the same salary schedule placement and seniority, which the employee occupied at the time the leave was granted.
6. Seniority will not accumulate while an employee is on an extended leave of absence.
7. Upon return to the College, all benefits to which the employee was entitled at the time their unpaid leave of absence commenced, and which are currently in effect for bargaining unit members, shall be restored to the employee.
8. If a leave of absence has been granted to participate in a professional work program, an exchange program, or a professional study program, in which unpaid leave was granted, the employee, upon return to College employment, will be required to submit a report to their immediate supervisor to be shared, where deemed beneficial, with other College employees.
9. In all instances of leave of ninety (90) days or more, the employee on leave shall, no less than thirty (30) days prior to the end of the scheduled leave, notify the College in writing that the employee intends to return to College employment at the end of the said leave. All extensions or renewals of leaves shall be applied for in writing. Approval or denial shall also be in writing. Failure of the employee upon leave of ninety (90) days or more to give the advance notice of intention to return by the end of the leave may be treated by the College as that employee's resignation. Failure of any employee to report for duty at the end of such leave shall be deemed as the resignation of the employee.

B. SHORT TERM LEAVES OF ABSENCE

Leaves of absence without pay for less than six (6) weeks will require the approval of the employee's immediate supervisor and the Human Resources Director. While on such unpaid leave of up to twelve weeks, benefits to which the employee is entitled under the terms of the Agreement, including College paid insurance coverage, will continue. For any leave greater than twelve (12) weeks, the employee will continue to be covered by the College's insurance program at the employee's expense for the entire unpaid leave period. Leaves of absence without pay for more than six (6) weeks, up to twelve (12) weeks, shall be submitted to the Director of Human Resources in writing.

C. FAMILY MEDICAL LEAVE

1. Employee members may take family leave without compensation for up to twelve (12) weeks within a one (1) rolling year period in accordance with applicable law. Family medical leave may be used for their own injury or illness, for the care of a family member who suffers from serious health conditions or for other purposes as required by OFLA and FMLA. Family member means the employee's spouse or registered same gender domestic partner, biological, adoptive or foster parent or child, parent-in-law, grandparent, grandchild, or a person with whom the employee was or is in a relationship of in loco parentis and the parents and children of their registered same gender domestic partner.

The employee must provide certification of need for leave, before the leave begins and periodically thereafter, from the health care provider as well as a fitness to return to work certification as required by the College. Accumulated sick leave, vacation leave and personal leave must be used for such leave. Employee members will start to utilize family medical leave from the first day of being qualified for its use. Insurance benefits for eligible employees will continue through an employee's FMLA/OFLA leave of absence. If the member does not return after the leave, the College may recover premium costs for any unpaid leave days. If an employee is entitled to leave under more than one statute the leave will run concurrently consistent with applicable law.

2. At the end of the twelve (12) weeks of FMLA/OFLA, the employee member unable to work due to their own personal illness or injury may continue to use any additional vacation days and/or sick leave days still available and sick leave bank days.
3. Employees returning from family medical leave will be placed on the salary schedule in the same position as that which would have been earned had the leave not occurred.

ARTICLE 21 – PROFESSIONAL GROWTH AND DEVELOPMENT

A. TUITION AND EXPENSES FOR REQUIRED ACTIVITIES

The College agrees to pay the full cost of tuition, fees, and other reasonable expenses incurred in connection with any courses, workshops, seminars, conferences, in-service training sessions or other such sessions which an employee is required to take by the College.

B. STAFF DEVELOPMENT FUNDS

Recognizing the importance of professional development for the growth of its employees, the College shall provide a \$15,000 Professional Development Fund (starting July 1, 2006) for classified staff to support both full and part-time staff development activities related to their job responsibilities or objectives, and/or beneficial with respect to the functions and goals of the College. Effective July 1, 2021, the following changes shall become effective:

1. The College shall increase this fund by 1% for each year of the contract.
2. Applications for the following distributions can be made until the funds are exhausted:
 - a. Employees in their initial probation period may apply for up to \$500 in professional development funds.
 - b. Full and part-time classified may apply for up to \$1,000 each per year.
 - c. The College may apply for up to ten percent (10%) of the Professional Development Fund contributions to be used for training for all-staff or groups of staff members each fiscal year.
3. A Staff Development Committee shall be established with three (3) classified staff members, selected by the Association to evaluate applications, develop rules of use and criteria which will be mutually agreeable to the ACEUCC and the College. The Committee will manage the professional development funds for the benefit of classified employees, will authorize the expenditure of funds, and will make reports back to the Association regarding the usage of funds.
4. The time needed for staff development activity must be approved by the supervisor. Once approved, there will be no loss in hours normally scheduled to work for the employee. Any time spent outside normally scheduled work hours will only be compensated when required by applicable law. In the event compensation is required, the College reserves the right to flex the employee's schedule for that workweek to avoid the need to pay overtime.

ARTICLE 22 - GRIEVANCE PROCEDURE

A. PURPOSE

The purpose of this procedure is to provide an orderly method for resolving grievances. A determined effort shall be made to settle any such differences at the lowest possible level and there shall be no suspension of work or interference with the operations of the College. No reduction in salary shall occur if meetings or discussions involving grievances or grievance procedures occur during the employee's regular work hours. The grievant may be accompanied by an Association representative when presenting the grievance at any step. The Association representative shall suffer no reduction in pay if the meeting occurs during their regularly scheduled work hours.

B. STEPS

Grievances will be processed in the following manner and unless mutually agreed upon in writing (email) by the parties, within the stated time limits.

Step 1

An employee shall be responsible for instituting the first step of the grievance procedure by contacting the immediate supervisor within fifteen (15) days after the facts upon which the grievance is based, or first become known to the employee, to arrange an informal meeting to make an earnest attempt to resolve the grievance.

If the issue is not resolved informally within ten (10) days of the informal meeting, the employee may submit a completed Grievance Form (Appendix C) to the Human Resources Director. The Grievance Form must be submitted to the Human Resources Director within ten (10) additional days, i.e., within twenty (20) days of the informal meeting. The written grievance shall give a clear and concise statement of the alleged grievance including the facts upon which the grievance is based, the issues involved, the Agreement provisions violated, and the relief sought.

The Human Resources Director will review the grievance, arrange for necessary discussions, and respond to the grievant with a copy to the Association within ten (10) days after receipt of the written grievance. If no response is received within the 10-day period, the grievance will immediately advance to Step 2.

Step 2

If the grievance is not resolved in Step 1, the grievant may appeal the grievance in writing to the College President. Such appeal shall occur within ten (10) days after receipt of the written answer in Step 1.

The President or a designee of the President shall review the grievance, arrange for necessary discussions, and respond to the employee in writing with a copy to the Association no later than ten (10) days after receipt of the written appeal.

Step 3

Grievances not settled in Step 2 of the grievance procedure shall be reviewed by the Association, which shall have sole discretion as to whether a grievance, whether individual or group, should be appealed to arbitration. If the Association determines that a grievance shall be appealed to arbitration, it shall file a written notice of a request for arbitration to the President within fifteen (15) days following the President's written answer in Step 2.

Within ten (10) days after a written notice of arbitration, the parties will attempt to mutually agree on the selection of an arbitrator, or failing that, request a list of seven (7) arbitrators, who reside in Oregon or Washington, from the State Employment Relations Board, Conciliation Service Division. Upon receipt of the list, the College and Association shall alternately strike names until one (1) remains and submit the matter to arbitration.

The hearing and all other proceedings shall be conducted according to the rules of the American Arbitration Association.

The arbitrator shall have no power to add to, subtract from, modify or amend any terms of this Agreement, nor reach a decision contrary to public policy of the State of Oregon or the United States as clearly defined in statutes and/or judicial decision, or make any decision in any matter not specifically addressed by the Agreement or agreed upon in a joint stipulation of the issue. The arbitrator's decision shall be based on whether or not the Agreement has been violated.

A decision of the arbitrator shall, within the scope of their authority, be binding upon the parties.

C. COSTS OF ARBITRATION

The College and the Association will share equally any joint costs of the arbitration procedure such as the fee and expense of the arbitrator and the cost of the hearing room.

D. INITIATION OF GROUP GRIEVANCES

1. Where more than one employee has a common grievance, the Association may initiate a group grievance on their behalf. In such a case, a written grievance may be filed directly with the Human Resources Director at step 1 with no requirement for any employee to contact their supervisor. Group grievances will start with the Association being required to submit the Grievance Form to the Human Resources Director within fifteen (15) days after the facts upon which the grievance is based, or first become known to the Association.

The same steps and time intervals shall apply for all subsequent group grievance processing steps as with individual grievances.

2. The Association shall have the right to initiate a grievance growing out of an alleged violation of Association rights under this contract. Any such grievance shall be initiated by

filing the written grievance in the first instance with the President. All such grievances must be filed within fifteen (15) days after the facts upon which the grievance is based. The remainder of the procedure shall be as provided for the individual grievances.

E. GENERAL PROVISIONS

1. No reprisals of any kind will be taken by the employer or by any members of the administration against any party in interest or any other participant in the grievance procedure by reason of such participation.
2. Unless there is a mutual agreement of extension of timelines, failure at any step of the procedure to communicate the decision in writing within the specified time limits shall permit the grievant to proceed to the next step.
3. Unless there is a mutual agreement of extension of timelines, failure at any step of this procedure to appeal a grievance to the next step within the specified time limit shall be deemed to be an acceptance of the decision rendered at that step.
4. All documents, communications, and records dealing with the processing of a grievance will be filed separately from the personnel files of the participants.

ARTICLE 23 - GENERAL PROVISIONS

A. PRECEDENCE OF AGREEMENT

This Agreement shall supersede any rules, regulations, policies, resolutions, or practices of the College which shall be contrary to or inconsistent with its terms.

B. SEPARABILITY

In the event that any provisions of the Agreement shall at any time be declared invalid by any court of competent jurisdiction or made invalid by any legislative enactment, only the unlawful provision shall become null and void. Such decisions or enactments shall not invalidate the entire Agreement, it being the expressed intention of the parties that all other provisions not declared invalid shall remain in full force. Upon such declaration or enactment, either party may call for immediate negotiations, which shall be conducted in accordance with ORS 243.698, for the purpose of arriving at a mutually satisfactory replacement of such provisions.

C. INDIVIDUAL EMPLOYMENT CONTRACTS

No individual contract offered to employees by the College shall be inconsistent with the terms and conditions of the Agreement.

D. DISTRIBUTION OF AGREEMENT

Following ratification of this Agreement by both parties, the College shall post the Agreement on its web site for access by bargaining unit members, including newly hired classified staff, as well as applicants for bargaining unit positions.

E. CHANGES IN PERSONNEL POLICIES

The College shall provide the Association president with a copy of the Board packet, exclusive of executive session materials. Copies of policies recommended at first and second reading shall be included in the packet.

F. MODIFICATION OF AGREEMENT

This Agreement may not be modified in whole or in part except by mutual written agreement of the parties.

ARTICLE 24 – SENIORITY

A. DEFINITION OF SENIORITY

C. PROMOTIONS OUT OF THE BARGAINING UNIT.

Employees who are promoted to positions that are outside the bargaining unit but are returned to bargaining unit positions by the College within twenty-four (24) months of the date of promotion or transfer to a non-bargaining unit position will return with the seniority they had accrued at the time of their promotion restored. The time employees spend in the non-bargaining unit positions will not however, be applied toward their seniority.

D. LOSS OF SENIORITY

An employee shall lose all seniority and the employment relationship will be separated if any of the following events occur:

1. Voluntary resignation or retirement;
2. Discharge of a regular employee for just cause or discharge of a probationary employee at will;
3. Layoff for more than twelve (12) consecutive months (However, employees will not continue to accrue seniority during the period they are on layoff.);

7. Failure to return from military leave in accordance with applicable law.

ARTICLE 25 - TERM AND EXECUTION OF AGREEMENT

A. DURATION

This Agreement shall be effective as of July 1, 2021. Additionally, for the reopener in the final year of the Agreement both the College and the Association may elect to reopen one additional article by notifying the other in writing (via email) of intent to reopen and identifying the article selected for reopening. Such notification shall be made no later than the first bargaining session.

B. SUCCESSOR AGREEMENT

This Agreement will be automatically reopened for negotiations for a successor agreement on March 1, 2025.
