## Summary

## Human Resources Component Summary (Applicable to Degree-granting institutions and Related Administrative Offices)

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the ExPT and sent to your institution's CEO in November 2011.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or <u>ipedshelp@rti.org</u>.

NOTE: The above data are based on the Salaries section of the IPEDS HR component. The number of equated 9month full-time instructional staff is the sum of staff on 9/10-month and 11/12-month contracts. The equated 9month average salaries of full-time instructional staff (by rank) are calculated by multiplying the salary outlays (by rank) for staff on 11/12-month contracts by 0.8182 then adding the salary outlays (by rank) for staff on 9/10-month contracts. The resulting sum is then divided by the number of equated 9-month full-time instructional staff (by rank) to determine an average salary for each rank. Salaries of full-time instructional staff on less-than-9-month contracts are not collected. Also, salaries of medical school staff are not collected. The equated 9-month average salaries are included in the DFR.
