Institution: Umpqua Community College (210270)

User ID: P2102701

Overview

Fall Enrollment Overview

The Fall Enrollment component collects student enrollment counts by level of student, enrollment status, gender and race/ethnicity. In addition, first-time student retention rates and the student-to-faculty ratio are collected. Every other year data on residence of first-time undergraduates is required and in opposite years, enrollment by student age is required to be reported.

Institutions operating on a traditional academic year calendar (semester, trimester, quarter, or 4-1-4) report Fall enrollment as of the institution's official fall reporting date or October 15. Institutions operating on a calendar that differs by program or that enrolls students on a continuous basis (referred to as program reporters) report Fall enrollment as students enrolled any time during the period August 1 and October 31.

Data Reporting Reminders:

- Part B, Enrollment of students by age, is **optional** this year.
- Part C, Residence of first-time degree/certificate-seeking undergraduates, is **required** this year.

Part E - First-Time Student Cohort Retention Rates (Full-time)

Retention Rates

Full-time, First-time Degree/Certificate-Seeking Cohort from Fall 2017

The Fall 2017 cohort is preloaded based on data reported in the prior year Fall Enrollment survey component.

Academic reporters report retention data as of the institution's official fall reporting date or as of October 15. Program reporters determine the cohort with enrollment any time between August 1 and October 31, 2017 and retention based on August 1, 2018.

The retention rate is calculated by the system after clicking "Save" on the screen. Exclusions are subtracted from the original cohort and the resulting adjusted cohort is used for calculating the retention rate.

Retention Data Reporting Reminders:

- Include only **full-time, first-time degree/certificate-seeking** students in this cohort.
- Determine full-time using Fall 2017 attendance status (e.g. if a student was full-time in Fall 2017, report them in the full-time cohort regardless of Fall 2018 status).
- If there are no students to report in the cohort, enter zero. Do not leave the field blank.
- Report in the exclusions box (line E2a) the number of students from the cohort who left the institution for any of the following reasons: died or were totally and permanently disabled; to serve in the armed forces (including those called to active duty); to serve with a foreign aid service of the Federal Government (e.g. Peace Corps); or to serve on official church missions.
- Report in the inclusion box (line E2b) first-time bachelor's-seeking study abroad students who were excluded from the first-time cohort (line E1) but who have re-enrolled at the institution their second year.

We previously used an optional field on the student's application form for this information. In addition, enrollment is strong in the Retail Management Certificate program, adding to the part time student headcount.
