We're excited to announce our NEW Beginner and Advanced Small Business Management Programs!

January 2015

The Beginner Program will start January 2015, and is targeted for the new business owner. This exciting nine-month program will provide the guidance, networking, support every new business needs. Included is a challenging in-depth educational experience that blends in-class training and real-world projects. Program will run from January- June, then from October- December.

September 2015

The Advanced Program will start September 2015, and is targeted for businesses who have already participated in a previous SBM program, or the Beginner program. You'll continue to receive the same expert guidance and support, but the Advanced program is customized to go beyond the basics and help you focus on needs specific to your business. Program will run from September 2015- June 2016.
