Statements from Audience:

Doug Pieschel, Astronomy Club: A non-campus club that uses the Paul Morgan Observatory on campus.

It's not astrology, that's totally different! ;) They meet the 2nd Tuesday of every month @ 7 PM in Wayne Crooch Hall. They are also doing @ 8 PM community outreach after the club meeting. They are letting people know mostly that they exist, and that you should go there. You get to see cool phases of the moon. The Paul Morgan Observatory has the largest solar telescope in Oregon, for those not in the know. They are planning similar events to those last year – the Solar Walk, where volunteers are wanted/needed. Contact them via FB as "Umpqua Astronomers".

Xander Fitzhugh, BPA Volunteer Opportunity: On this Sunday, January 19th, from 11-6 BPA is doing a fundraiser @ Sherms for donations to provide goods to those who get services from BPA. As always, it goes towards a good cause – any and all donations are really helpful! Volunteering is done in 1 hour blocks. Email or find Xander and reach out to them to sign up.

Catherine Blocher, **Activities Officer:**

Welcome Back Hot Cocoa Bar Event: It was an amazing plethora of toppings. Well received, the attendees made sounds indicating being pleased that hot cocoa was being provided. Huzzah to all that participated!

Winter Term Activity Discussion: We have a new fresh panel of activities that we are putting together for y'all! We currently have Week 4 Club Fair stuff next up, and have Week 7 Pet Adoption being planned, and we might do a week 3 "Ask Cat Questions" thing. I'm not sure if this means to ask our Activity Officer questions, or to ask questions about Cats. Either way. Want more events! See Cat for details.

Vyla Grindberg, **Business Manager:**

Student Services Report: It's been hoppin'! Lots of requests. Dropoff from Fall to Winter term was not as much as anticipated, and have a backlog of food bags to fill. Will continue to keep on plugging along ;)
