Statements from Audience:

Kamilah Mirza: **Student Resource Lounge:** A discussion on a proposal to revamp the bistro. This would include a pool table, couches, and a foosball table. Some discussion was had, including the usage concepts of the cafeteria and the other student lounge area closer to the offices. It was also noted by audience that the area was more isolated off from the rest of the cafeteria, and could lend itself better for being a quiet area or medication area for students. A proposal would be needed for changes, including discussion from other parties on campus.

Old Business:

None.

New Business:

Request for Funds: Riverhawk Wrenches: **1964 Thunderbird:** A motion was made by Grindberg to postpone to next week due to more information needed. Blocher seconded.
