Officer and Senator Reports:

Jesika Barnes, **President:**

Welcome Back! Yes, ASUCC is still doing things and still operational! Much like Anakin Skywalker's podracer after Sebulba tried to destroy the engines, ASUCC is still going on regardless of COVID-19! We have stuff going on! And much like Anakin said to Sebulba, we say the same to COVID-19: "Cho skrunee dopat, sleemo."

Erin Robertson, **Vice President:**

Grand Elections Council: The books are heading out and you should read them. They got good modified info in them that is useful for the council to flourish to elect our new chancellor. The final product was approved, and ready to go. We also had some virtual elections discussion too.

Catherine Blocher, **Activities Officer:**

Virtual Events: These are events and they are happening! New week, new events. They're a thing! One that we are doing this week is Scrabble Go and that's been fun so far!

Vyla Grindberg, **Business Manager:**

Student Services: Much like a phoenix from ashes, we are also offering food boxes, much like a phoenix would!

Kayla Kilburn, **Public Relations:**

Online Presence: We've done a number of things to boost things up! From spirit week, to the Instagram page being sorted out and put up on the internets, there's lots to see! Also edits have been made to the ASUCC internet page too! That's a thing that's there.

Senators:

Good of the Order:

Please stay safe and healthy. Please maintain a 6-foot distance from people. Suggestions are to carry two meter-sticks taped to one another for measurement, or 6 footlong subs speared end-to-end from subway for measurement and sustenance.
