Officer and Senator Reports:

Jesika Barnes, **President:**

National Teacher Day: That's today! It's difficult for all of us, including our teachers, so please reach out to them to let them know they are doing well. An email was sent out by Jes to all the teachers to tell them this too, but a personal message works wonders!

Erin Robertson, **Vice President:**

Election Timeline: It's been pushed back a week, so that's a thing. All dates have been extended, with May 11-13th being the campaigning time, and May 18-20th being the election. We also extended applications to the end of this week.

Catherine Blocher, **Activities Officer:**

National Teacher Day: It's so good, we gave it two entries! Order your teachers a pizza. They deserve it. So go do it. Or maybe some footlong sub sandwiches.

National Nurses Month: There's a lot of love to give to those in professions where stuff is difficult! Give the nurses in your life love by telling them verbally or through the power of word.

Vyla Grindberg, **Business Manager:**

ASUCC Services Provision: Done! It's been approved. We have the purchase order and waiting for it to be finalized and to receive the cards. Now to plan to send them out...

3D Printed Face Mask Straps: Plans are being done in conjunction with Engineering Club to provide 3D printed straps that go behind your head to people at UCC, and potentially the community. Working on test versions of the models.

Kayla Kilburn, **Public Relations:**

May the 4th Be With You: We had one person enter it, which isn't the worst.

Senators:

We need senators! We had Kylee declare that she will join in on the fun! Welcome!
