Officer and Senator Reports:

Jesika Barnes, **President:**

Commencement: Updates on the commencement thingy! So it came back and was noted that the September commencement was not an option, and that it will happen June 12th. This is a firm thingy. Rather, the plans are in place to move forward with a virtual/drive-through commencement! Exciting. We are also talking about the ASUCC Graduation gift, and have some solid ideas moving forward with it.

Erin Robertson, **Vice President:**

Elections!: They are currently happening. Please support Kamilah Mirza, Lisa Clark, and Tasha Oliverson in their endeavors to become The Next Great ASUCC Representatives! Also make sure you vote for your faculty of the year during this time!

Catherine Blocher, **Activities Officer:**

Absent, but...

Talk Like Yoda Day: Yoda talk like you must! ASUCC prizes they may give! Impressions spot on they must not be! Online it should be posted! <Why is this reasonable facsimile of Yoda always yelling? Anyways, that's Thursday. Post videos on the Facebook page of you mimicking Yoda to the best of your abilities. What is Yoda anyways? Some sort of frog thing? Anyways here's a picture of baby Yoda.

Vyla Grindberg, **Business Manager:**

3D Printed Mask Straps: We have a request from nursing for 100 of them, and have provided a portion so far.

ASUCC Services Provision: Giving out the cards. We've so far provided them to 60 people! Hoping it helps those in need!

Kayla Kilburn, **Public Relations:**

No Report.

Senators:

Plant a Veggie Garden Day: Today is Plant a Veggie Garden Day! Drop what you're doing, go home (that's where most of us are right now!) and go take pictures of your veggie garden. Post them on the normal place on Facebook. Y'know, the ASUCC facebook page.
