JOEL GOODWILLIE

We are pleased to introduce Joel Goodwillie, our new winery manager at the Southern Oregon Wine Institute (SOWI). Joel brings with him extensive experience in the wine industry and a strong background in business.

As SOWI expands in support of our regional wine industry, it continues to offer:

- **Incubator Service**

Supporting start-up wineries to produce quality wines on site and established wineries with access to equipment. (Limited spaces are available this fall.)

- **Tasting Room**

Serving award-winning wines made on site. (Open for special tasting events.)

- **Skilled winery employees**

Serving the Southern Oregon region.

- **Event Center**

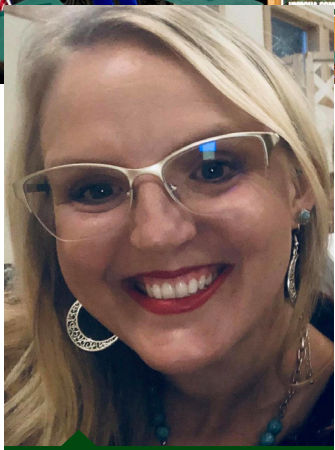

Scenic views and a state of the art facility available to the public to rent for special events.

It's an exciting time at SOWI as we look to the future of new programming, special events, and the opportunity to inspire the next generation of vintners.

SOWI was established in 2008 at Umpqua Community College. With a mission to serve the wineries of Southern Oregon as a resource for skilled winery workers, the Danny Lang Teaching, Learning & Event Center was created.

The SOWI facilities are accessible to the wine industry community and continue to raise the profile of the winegrowing regions that surround it.
