# RIVERHAWK ATHLETICS

Find athletics news and game schedule at [www.umpqua.edu/athletics](http://www.umpqua.edu/athletics)

## MEN'S BASKETBALL

The Men's Basketball Team is under the leadership of 2nd year Head Coach Daniel Leeworthy. Daniel had a very successful recruiting season and is very excited about this year's roster. The group is made up of a dynamic mix of local, west coast, and international talent. Having 12 freshmen on the team

could pose some challenging pre-season jitters, but Coach Leeworthy is confident that the team will be successful due, in large part, to their athleticism. One of his goals is to build excitement in the community so we encourage all of you to come out and support your Men's Riverhawk Basketball team.

## VOLLEYBALL

UCC Ladies Volleyball participated in two special nights with community partners this past season. During Breast Cancer Awareness Month in October the team decorated the gym in pink and hosted "Dig Pink" Night. During introductions the girls handed out goodies to spectators that had battled breast cancer or had lost a love one to the disease. In November the team invited members from Wildlife Safari to their match and offered a volleyball signed by the team to one of Safari's cheetah ambassadors. Both of these nights provided fun, prizes, and community involvement for everyone.

## WOMEN'S BASKETBALL

2014 was a stellar year for the Lady Riverhawks. They were the Oregon League Champions and runners up in the NWAC Championship tournament. Coach Dave Stricklin, in his 20th year at UCC, has had substantial success with player recruitment and as a result the Lady Riverhawks are expected to be placed high on the pre-season polls. There are five returning sophomores from Oregon, Washington and Hawaii averaging 5'11" in height. New freshmen recruits from Oregon, Washington and California, average 6'0" in height. Matched with the five returning sophomores from the Championship team last year, they will be hard to beat.

*Come on out to support these exciting teams, and see some great sports in Douglas County!*

## WELCOME FROM THE COLLEGE AND STUDENT ASSOCIATION PRESIDENTS

On behalf of the students and staff, we want to welcome you to Umpqua Community College. We hope you are able to find the answers to your questions on our website, however, your calls and questions are always welcome. One of the wonderful things you'll find at UCC is the ability to connect with faculty and staff. You will also find a campus not only considered to be one of the most picturesque on the west coast, but one that is welcoming and responsive to your needs. In spite of the sometimes inclement Oregon weather, we hope you take the time to enjoy one of our fountains, walk the trail along the river, or sit at one of our overlooks to talk with friends and other students. We are confident you will find a close working relationship between students and college staff.

We are proud that the ASUCC and college leadership will be working together on important student and campus issues. Over the course of the summer, students played an active role in providing input to the Board of Trustees on the appropriate use and level of student fees. Together with the administration, our students are partnering to increase our level of cultural competencies and student success. These are two very important issues to our entire campus community.

We are also confident you will find the administration and student government leadership open to your comments and concerns. And more importantly, that you have a role in the future of our college. We make ourselves available at any time, and both our phone numbers and our email addresses are located below our names. You will also find us quite visible on campus, whether it be walking the grounds or meeting informally in the student center. Please don't hesitate to initiate a personal greeting.

Enjoy the many cultural events sponsored by or held at UCC venues and the natural beauty around you. Witness first-hand what we do on a daily basis, and visit us anytime; we would be happy to stroll through our grounds with you and discuss your ideas and ways UCC can best meet your needs and the needs of Douglas County.

## UCC SCHOLARS

*The UCC Scholars Program strengthens the college's commitment to our community by providing affordable education to our in-district students who excel academically during high school.*

The program engages students in our community through service learning and emphasizes the importance of giving time and talent to support your community. Scholars are given the opportunity to explore leadership and service both on and off campus. This past fall students from the UCC Scholars program participated in a project with Saving Grace pet Adoption Center. "UCC was pleased to support the community and Saving Grace by participating in this great activity. Our scholars joined other UCC students shoveling gravel and maneuvering wheel barrows to make a great trail for both dogs and volunteers" stated Krista Johnson, UCC Scholarship and Donor Relations Coordinator.

One of the intrinsic values of the program is that scholars are connected with staff and services to support their educational goals and impacts their success, even before their first day of class. As we look toward a second year of the program, current participants will be invited to shape and support the experience for the new group and will have an active role in providing student-to-student leadership and mentorship. It's exciting to consider all the possibilities the UCC Scholars program offers our students, campus and community! Applications will be available February 2, 2015. Questions regarding the program may be directed to Marjan Coester, Director for Student Life and Campus Engagement – [marjan.coester@umpqua.edu](mailto:marjan.coester@umpqua.edu) or 541-440-7749.

The appropriate form must be filed in the Registration Office. After five days, the following withdrawal (appears on the academic transcript as a "W") procedures must be followed.

## WITHDRAWAL FROM UCC

To withdraw from all courses, students must get signatures from a counselor and the financial aid office. The withdrawal form must be completed and filed in the Enrollment Services Office.
