UCC 2019 ANNUAL SECURITY REPORT

Introduction

This security report, prepared by the UCC Security Department, is available annually by October 1 for the prior calendar year. Copies can be obtained from the Office of Facilities and Security, located in the Warehouse Building, and can be accessed online at <http://umpqua.edu/security>, and can be mailed upon request by calling the Facilities/Security Department at (541) 440-4671. Current faculty, staff, and students are notified by email each fall of the release and methods to access the new report. Information can also be obtained from the U.S. Department of Education at <https://ope.ed.gov/campussafety/#/>.

This report is filed as required by the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998. The purpose of the report is to provide faculty, staff, students, and the public with campus safety information, including crime statistics and procedures to follow in reporting a crime. UCC Board Policy requires that the college collect and disclose annually to its employees and students all information relating to campus security procedures and practices and crime awareness and prevention as required by federal law.

UCC data is provided through reports made to the UCC Security Department, Campus Security Authorities, and Local Law Enforcement. The Security Department maintains a daily activity log that contains reports of alleged criminal incidents. Information is recorded as date, time, general location, type of crime, and the disposition of the complaint. Entries or updates are generally made within two business days after the event occurs; incidents/situations deemed to pose a threat to the campus community are logged as soon as possible. The log is available to the public for inspection, though the Director of Facilities or the Chief of Security. The Chief of Security may determine that an incident be classified as confidential in order not to jeopardize a criminal investigation or the identity of a victim.

UCC has no on-campus student housing facilities and is therefore not required to disclose missing student notification procedures, provide fire safety information relative to student housing facilities, maintain a fire log, or publish/submit fire statistics for such facilities.

ACCESS TO CAMPUS FACILITIES

Access to the College main campus and non-campus sites is open to the public. The main campus is generally open from 6 a.m. until 12 a.m. on business days. On weekends, specific areas/buildings on campus are open for classes and special events. Access to some buildings is controlled by electronic door locks, which are locked and unlocked remotely in accordance with the class/event schedule. Staff are provided swipe cards and/or keys for their respective departments to access buildings/rooms that are not scheduled to be unlocked. All classrooms and buildings that are not equipped with electronic locks can be locked manually. Students are not provided key swipe cards or keys. There are no electronic locks at off-campus sites.

Safety and security inspections are completed on a daily basis to make sure all campus lighting is adequate and to ensure locks, security and fire alarm systems are functioning properly. The AED's, and fire extinguishers are checked monthly. Fire and intrusion alarms are monitored by a contracted monitoring company.

CAMPUS SECURITY DEPARTMENT

The department reports to the Director of Facilities. The department consists of the Director of Facilities and Security, the Chief of Security, three full-time officers, and three part-time officers. Coverage is provided seven days a week, 24 hours a day Tuesday through Saturday, and 0530 to 2130 Sunday and 0530 to 2400 on Mondays. All security officers are certified through the Oregon Department of Public Safety and Standards Training (DPSST) as unarmed, private security officers. The Security Department's primary responsibility is for the physical security of campus buildings and facilities. Campus Security Officers have citizen arrest authority if a crime occurs in their presence. Security Officers have no other arrest authority. Campus security officers are granted authority to enforce policies and regulations enacted by the College Board of Trustees. Officers have authority to enforce all traffic and parking regulations adopted by the Board. There is no permanent, full-time sworn law enforcement presence on campus.

Law enforcement coverage is provided by the Douglas County Sheriff's Office (DCSO). Patrol services of the Main Campus, Commercial Truck Driving Center, and UCC South County Center are provided by DCSO as these facilities fall under DCSO'S territorial jurisdiction. Law enforcement patrol services and response is provided by Roseburg Police Department (RPD) for the H. Woolley Center, UCC Small Business Development Center, the UCC Apprenticeship Training Center, the UCC Flegel Center and the UCC Cummins House. There are no memorandums of understanding (MOU) between the College and local law enforcement agencies. The College maintains a professional working relationship with local law enforcement agencies and emergency services agencies and organizations.

CAMPUS SAFETY COMMITTEE

The College demonstrates its commitment to a healthy and safe learning and working environment, in part, through the work of the Safety Committee. The Committee meets monthly to discuss potential health and safety issues, recommend improvements to policies and procedures, conduct quarterly safety inspections and increase safety awareness on campus. Additionally, the Safety Committee assists in monitoring, improving, and maintaining job site safety and occupational health as mandated by OSHA regulations.

C.A.R.E.S. TEAM

The UCC C.A.R.E.S. Team is an internal, multidisciplinary team dedicated to supporting student success. C.A.R.E.S. stands for: Concern, Assess, Refer, Educate and Support. The team provides faculty and staff with resources to identify students of concern who exhibit a continuum of behaviors; report a student in distress; and understand the appropriate level/type of interventions that will be made available. The team looks for patterns of "red flag" behavior and coordinates reports from multiple reporters. Concerns with students exhibiting crisis or severe behaviors are referred to the Threat Assessment Team.

THREAT ASSESSMENT TEAM (TAT)

The Umpqua Community College Threat Assessment Team is an internal, multidisciplinary team dedicated to the prevention of targeted acts of violence. Through the cooperative sharing of information, resources and the knowledge gained through training with leading experts in the field of threat assessment/management, the team endeavors to identify, assess, advise and/or manage situations where there is a perceived risk of violence. Depending on threat management strategies, the team may consult with or refer to appropriate community resources or agencies. Membership includes representatives of the Douglas County sheriff's Office, Student Services, Counseling, Accessibility Services, High School Partnerships, Legal Resources, Human Resources, and Administrative Services.

SECTION 2: EMERGENCY AND CRIME REPORTING AT UCC

UCC Board policy requires that criminal actions and other emergencies, both on campus and at off-campus sites be reported to Campus Security. Criminal actions will be forwarded by Campus Security to the Douglas County Sheriff's Office or appropriate local police agency in whose jurisdiction the incident occurred. Human Resources will be contacted for criminal incidents involving employees. The Chief of Security or Human Resources will provide information regarding students, staff, or crimes committee on campus.

CONTACT INFORMATION

Students, staff, and visitors are urged to report all criminal incidents, emergencies, and suspicious activities to the Security Department in an accurate and prompt manner. All crimes are to be reported to the UCC Security Department by phone (541-440-7777), email (www.umpqua.edu/contact-security-custodial/), or in person in the UCC Security Office, located in the Warehouse Building. Crimes in progress as well as fire, medical and police emergencies should first be reported by calling 911 to alert emergency responders, with follow-up notification to the Security Department at 7777 (on-campus phones) or 541- 440-7777 (off-campus/cell phone calls). Confidential reporting is provided by phoning the Security Department duty phone (541) 440-7777 and advising the duty officer that the reported information is confidential. As of September of 2017, a campus blue light emergency phone/camera system has been in place.

CAMPUS SECURITY AUTHORITIES

All individuals who work for the Security Department are campus security authorities. In addition, college officials who have significant responsibility for student and campus activities are campus security authorities (CSA). Crimes may be reported to the following UCC campus security authorities:

Dean of Students/Director of Student Engagement	7749
Athletic Director	7729
All Athletic Coaches	
Title IX Coordinator/Human Resources Director	7690
UCC Security	7777
Dean of Community Education & Partnerships	4651
Assistant Vice President of Enrollment and Student Services	7865
Director of UCC Small Business Center	4673
Director of JOBS	541-464-2277

The persons listed above are responsible to notify the Chief of Security who serves as the compiler of campus crime reports for the purpose of preparing this report. CSAs will assist and allow victims and witnesses to report a crime on a voluntary, confidential basis. Reports are filed for statistical purposes,

but formal investigations of incidents are done only if desired by the complainants. CSA reports are also used to help determine if there is a serious or continuing threat to the safety of the campus community that would require an alert.

Under the Clery Act, licensed professional counselors are not considered campus security authorities, even though they may have significant responsibility for student and campus activities. If a person being counseled speaks of a commission of a crime, the counselor may inform the person that crimes can be reported to the Chief of Security on a voluntary, confidential basis for inclusion in the college's crime statistics only.

SECTION 3: EMERGENCY NOTIFICATION, TIMELY WARNINGS, AND RESPONSE

EMERGENCY NOTIFICATION SYSTEM (ENS)

The College initiates its Emergency Notification System (ENS) to notify the campus community upon confirmation of a significant emergency or dangerous situation that involves an immediate threat to the health or safety of students or employees. Examples of significant emergencies or dangerous situations are outbreak of serious illness, approaching extreme weather conditions, earthquake, gas leak, terrorist incident, armed intruder, bomb threat, civil unrest or rioting, explosion, nearby chemical spill, or fire.

Notification to the campus community will be authorized by the Director of Facilities and Security in consultation with the College President. In their absence, the following have authority to access and initiate the ENS, in consultation with a ranking college officer:

- Chief of Security
- All Security Department Personnel
- Assistant Vice President of Student and Enrollment Services
- Assistant Vice President of Academic Services
- Director of Communications and Marketing
- Chief Financial Officer
- Provost
- President's Executive Assistant

For any situation that involves a confirmed immediate threat to the health or safety of students or employees, any member of the ENSA is authorized to activate the ENS. For less serious incidents that pose no immediate threat, the President, Provost, or their designee may authorize activation of the ENS and will dictate the contents of the message and to whom the message will be sent.

Standard notification procedures will be issued without delay but may be altered if emergency response authorities determine it would compromise efforts to assist a victim or compromise efforts to contain, respond to, or otherwise mitigate the emergency.

The ENS consists of text messages, email, social media, and voicemail notifications simultaneously sent to students and employees. Contact data is taken directly from contact information provided by employees and students in the Banner system. It is imperative that employees and students update their contact information on a regular basis, should there be changes in contact information.

A separate component of the ENS consists of notifications through a rolling scroll message which may be sent to all or to select computer screens on campus. In addition, a voice intercom system connected to all campus telephones was recently installed and put in place at the beginning of the Fall 2018 term. Finally, an outdoor loud speaker system is utilized to further provide emergency notification.

Electronic notifications are tested monthly by Security Personnel, who send test messages to a selected group. Records of tests are retained in the system. All Emergency Notification Systems are tested on a scheduled basis.

TIMELY WARNINGS

Reports of Clery crime(s) received by campus security authorities or local police agencies that occur within the College geography, and are considered to represent a serious or continuing threat to students and employees, constitute the issuance of a Timely Warning. The purpose of the Timely Warning is to enable people to protect themselves and their property. The warning will be issued as soon as pertinent information is available. Warnings may also be issued for crimes that occur outside the College geography that may pose a threat to the College community. The decision on whether a warning will be issued will be determined on a case-by-case basis. The College President, the Provost, or their designees will make the determination as to whether a warning will be issued; which segment(s) of the campus community will receive the warning; the content of the warning; and the method of warning.

PROCEDURES FOR DISSEMINATION OF INFORMATION TO INDIVIDUALS OUTSIDE THE CAMPUS COMMUNITY

Individuals outside the campus community may request to be added to the Emergency Response Notification database by completing a contact information request form. The form is available at the UCC Security Department and at the Facilities Department Office, located in the UCC warehouse.

Information released to the media and social media is coordinated by the UCC Director of Communications and Marketing. The UCC Security Department coordinates dissemination of pertinent information to local law enforcement and emergency response agencies through the Douglas County Communications Center.

The UCC Emergency Operations Plan (EOP) is posted on a College shared drive. Hard copy binders containing the plan have been issued to members of the Emergency Response Team and to select

College staff. EOP binders have also been placed in the Emergency Operations Center. In addition to providing guidance relative to the National Incident Management System (NIMS) and Incident Command System, the EOP contains information on area specific hazards and emergencies and how to respond to them. This information is also posted on the UCC website (www.umpqua.edu/security).

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

In the event of a significant emergency or dangerous situation the following procedures will be implemented:

- A lockout is initiated when there is a threat or hazard in the area, but not on campus. An example may be when local law enforcement is engaged in a situation near the campus. All perimeter doors will be locked and no one will be allowed in or out of the building.
- A lockdown is initiated when there is an immediate threat or hazard on campus. All personnel and students must get inside, lock the door, switch off the lights, and remain out of sight. If it is safe to run from danger, personnel are encouraged to do so. As a last resort, the situation may necessitate countering the threat. The College recommends and provides Standard Response Protocol training regarding the threat of a hostile intruder.
- Evacuation is made to a rally point or other recommended location.
- Shelter in place is called when personal protection is necessary.

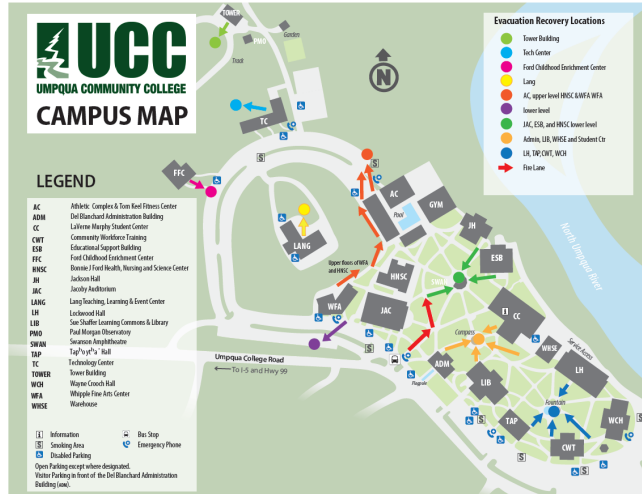

Leaving a building is mandatory when an ENS notification is received, a fire alarm is activated, or when a College official instructs people to do so. Evacuation is necessary in the event of an earthquake or fire. Procedures for all cases are as follows:

- Take direction and advice from Building Marshals where available, or other College officials, if you or others need help.
- DO NOT use elevators.
- If possible, assist persons with disabilities or special needs in leaving the building.
- If possible, assist people who may have been injured.
- Move away from the affected building, walls, and power lines once outside.
- Assemble at the rally point for your specific area/building. Rally points are clearly listed on the evacuation charts in each building.

Currently, evacuation tests for simulated fire related incidents are held at least twice a year. All tests are announced. Information regarding dates and start/stop times are documented and maintained by the UCC Security Department.

During the month of April, programs are presented in support of Alcohol Awareness Month. Programs are delivered through various venues to include campus life activities, lectures, educational materials, and films/documentaries.

Through SafeColleges, a national service offering online safety and compliance programs, became available to employees in September 2016 and to students in April 2017. Among other subjects, employees and students may view modules related to drug and alcohol awareness and abuse.

If someone needs assistance because of alcohol and/or drug use, UCC provides access and information for faculty, staff, and students. These programs provide education, consultation, assessment, counseling, and referral support in a professional environment that respects individual confidentiality and promotes health education. UCC faculty and staff may utilize the Employee Assistance Program

(EAP) through Reliant Behavioral Health at 866-750-1327; www.MyRBH.com. UCC students, faculty, and staff may access information through the Campus Mental Health, Recovery and Wellness Office on campus or at (541) 440-7900; - <https://www.umpqua.edu/wellness-center>.

A new Drug and Alcohol Abuse Prevention Program at Umpqua Community College, was implemented during the Fall 2017 term, this program will provide employees and students with educational opportunities and resources to enhance their awareness of alcohol and drugs and ways they can avoid abuse of these substances. The program will be delivered as a collaboration between the Division of Student Services and the Office of Human Resources and will be incorporated into employee in-service, employee orientation, student orientation, student first year experience course and activities, and other educational experiences.

SECTION 5: SEXUAL ASSAULT/VIOLENCE, DATING VIOLENCE, DOMESTIC VIOLENCE & STALKING

OVERVIEW

Umpqua Community College (UCC) is commuter campus with two resident halls, one is located at the UCC Flegel Center and the other is the Cummins House. UCC is committed to fostering an educational environment free from discrimination, including sexual misconduct (including sexual violence and sexual harassment) intimate partner violence (including domestic violence and dating violence) and stalking. UCC does not tolerate any form of sexual misconduct, whether physical, mental, or emotional in nature. Unlawful sex discrimination can interfere with a student's ability to participate in or benefit from college academic and non-academic programs, an employee's ability to function in the workplace, or a campus visitor's ability to utilize college programs and services. The college recognizes its responsibility to increase awareness of sexual misconduct, intimate partner violence, and stalking, prevent its occurrence, support victim/survivor, promptly and equitably investigate reports of misconduct, and deal fairly and firmly with those who are found in violation of the policy.

Umpqua Community College has sexual harassment policy and procedures on the Human Resources website regarding how to file a complaint of discrimination/harassment: <http://www.umpqua.edu/title-ix>. In addition, the HR website outlines procedures regarding sexual assault, sexual violence, dating violence, domestic violence and stalking.

UCC DEFINITIONS

UCC's Policy Prohibiting Sexual Misconduct, Intimate Partner Violence, and Stalking sets forth the following definitions to assist students, faculty and staff in identifying prohibited behavior. Sexual Misconduct, which includes both sexual harassment and sexual violence.

Sexual Harassment is the unwelcome imposition of sexual attention often in the context of a relationship of unequal power. The policy applies to men and women equally and encompasses both heterosexual and same sex harassment. Sexual harassment is any conduct, physical or verbal, that is sexual in nature and which has the effect of unreasonably interfering with an individual's or a group's educational or work performance, or which creates an intimidating, hostile, or abusive educational or work environment. It can include unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature made by someone from or in the workplace or educational setting.

Sexual Violence is any sexual act that is perpetrated against someone's will. Sexual violence encompasses a range of offenses, including but not limited to a completed or attempted nonconsensual sex act (i.e., rape), abusive sexual contact (i.e., unwanted touching), and non-contact sexual abuse (e.g., threatened sexual violence, exhibitionism, verbal sexual harassment). All types involve victim/survivor who do not consent, or who are unable to consent or refuse to allow the act.

Intimate partner violence, sometimes referred to as domestic battery or dating violence - describes physical, sexual, or psychological harm by a current or former partner or spouse. This type of violence can occur between individuals of heterosexual or same-sex couples and does not require sexual intimacy. Intimate partner violence can vary in frequency and severity. It occurs on a continuum, ranging from verbal abuse that may or may not impact the victim/survivor to chronic, severe battering. There are four main types of intimate partner violence including but not limited to:

- **Physical Violence** is the intentional use of physical force with the potential for causing death, disability, or injury. Physical violence includes, but is not limited to, scratching; pushing; shoving; throwing; grabbing; biting; choking; shaking; slapping; punching; burning; use of a weapon; and use of restraints or one's body, size, or strength against another person.
- **Sexual Violence** as defined above.
- **Threats of Physical or Sexual Violence** is the use of words, gestures, or weapons to communicate the intent to cause death, disability, or injury.

- **Psychological/Emotional Violence** involves trauma to the victim/survivor caused by acts, threats of acts, or coercive tactics. Psychological/emotional abuse can include, but is not limited to, humiliating the victim/survivor, controlling what the victim/survivor can and cannot do, withholding information from the victim/survivor, deliberately doing something to make the victim/survivor feel diminished or embarrassed, isolating the victim/survivor from friends and family, and denying the victim/survivor access to money or other basic resources. It is also considered psychological/emotional violence when there has been prior physical or sexual violence or prior threat of physical or sexual violence.

Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to (A) fear for the person’s safety or the safety of others; or (B) suffer substantial emotional distress. For purposes of determining if stalking has occurred, the Title IX Coordinator will utilize the following definitions:

- **Course of Conduct.** The term “course of conduct” means two or more acts, including but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person’s property.
- **Reasonable Person.** The term “reasonable person” means a reasonable person under similar circumstances and with similar identities to the victim/survivor.
- **Substantial Emotional Distress.** The term “substantial emotional distress” means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

Consent is a knowing, voluntary, and clear mutual agreement to engage in sexual activity. Consent must be freely and actively given, and communicated by clearly and mutually understandable words or actions to participate in each form of sexual activity. Consent may be withdrawn at any time. Consent to some sexual contact cannot be presumed to be consent for other sexual activity including previous consent or the existence of a current or previous relationship. Silence or the absence of resistance is not the same as consent.

- **Lack of Consent** means the person has not given consent because:
 - The person is incapable of giving consent because of mental, developmental, or physical disability.
 - Force is used or threatened
 - The person is incapable of giving consent as a result judgment-inhibiting intoxication without regard to the intoxicant.
 - The person is not sufficiently conscious to provide consent.
 - The person is not old enough to give consent. In Oregon, any person who has reason to believe that a child is a victim/survivor of child abuse or neglect has a duty to make a report to Department of Human Services or to the police. This is also known as *Mandatory Reporting*.

Explanation of Differences in Policy Definitions and Annual Reporting Statistics

UCC is required to report statistical information about reports of sexual assault, dating violence, domestic violence, and stalking as defined in the Violence against Women Act Amendments of 2013 and its implementing regulations. A full review of the definitions used for UCC's reporting of the annual crime statistics for sexual assault, dating violence, domestic violence and stalking are in Section 6 of this report.

REPORTING AND RESPONSE TO VICTIMS OF SEXUAL ASSAULT/SEXUAL VIOLENCE, DATING VIOLENCE, DOMESTIC VIOLENCE, AND STALKING

UCC has designed a reporting and response process to assist victim/survivor of sexual assault/sexual misconduct, dating violence, domestic violence and stalking. Individuals involved in the reporting and response process engage in training to assure students and employees that they are receiving information and assistance in a timely and appropriate manner.

- **Steps a Victim/Survivor May Take Immediately:**

- **Get to a safe place** as soon as possible. Your safety is most important.
- **Seek Medical Attention.** After an incident of sexual assault, dating violence, domestic violence, or stalking the victim/survivor should consider seeking medical attention as soon as possible, even if there are no obvious signs of physical injury. You may wish to consult with medical personnel quickly regarding: prevention of sexual transmitted infections, pregnancy; evidence collection, and toxicology testing if there are signs that drugs or alcohol may have facilitated the assault. Individuals of any gender can be victim/survivor of sexual assault, dating violence, domestic violence and stalking. We encourage victim/survivor to go to the emergency room at Mercy Medical Center, and for those age 14 and under, Douglas C.A.R.E.S.

Mercy Medical Center has trained Sexual Assault Nurse Examiners (SANE) nurses who conduct forensic examinations and collect the evidence for the sexual assault kits. In Oregon, evidence may be collected even if you chose not to make a report to law enforcement. SANE services are provided free of charge to all victim/survivor, regardless of your decision to involve law enforcement

The Care Advocate from Peace at Home Advocacy (PHAC) may also be on-hand for support and advocacy during the SANE exam.

Things to know about the SANE Exam:

- During the exam you can expect to be examined for internal and external injuries, foreign hair samples, and semen/other body fluids.
- If possible bring an extra set of clothes (if you decide to have evidence collected, the police may want the clothes worn during the assault for evidence) and a friend or another supportive person.
- If you think you may want to file a police report in the future, do not shower, drink, eat, douche, or change your clothes prior to the exam. These activities can destroy important physical evidence that is useful should you decide to make a police report. If you've already showered or changed, it's still okay to go to SANE for an exam. Also, document everything you remember happening with as much detail as possible. (This can also help should you decide to take legal action). If you have changed your clothes, please bring the clothes you were wearing to the hospital. (Note that the SANE may ask to keep both sets of clothing.)
- You can choose to have forensic evidence collected without filing a police report immediately.

In the event an adult victim/survivor chooses not to report the sexual assault incident to law enforcement; evidence obtained from the examination will be securely stored for the period of one year using only a confidential number. In circumstances of sexual assault, if victim/survivor do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted infections. Victim/survivors of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to College investigators or police.

- **Preserve Evidence**

Best practices are to preserve evidence include seeking medical attention shortly after the event.

- Do not shower, drink, eat, douche, or change your cloths prior to the exam. Do not bathe, wash your hands, brush your teeth, drink, eat, or even use the restroom – all these things can destroy evidence that may be helpful in a criminal investigation; however if you have done any of these things since the attack, evidence can still be collected.
- Avoid changing your clothes. It is recommended that you bring an extra set of clothes with you to the hospital.
- Do not clean or remove anything from the location where the attack occurred.
- You may consider preserving other relevant information such as communications from the perpetrator in the case of stalking such as social media posts, emails, text or other materials.

As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protection from abuse orders related to the incident more difficult. If a victim/survivor chooses not to make a complaint regarding an incident, he or she nevertheless should consider speaking with UCC Security Department or other law enforcement to preserve evidence in the event that the victim/survivor decides to report the incident to law enforcement or the College at a later date to assist in proving that the alleged criminal offense occurred or that may be helpful in obtaining a protection order. If you wish to press charges or seek a protective order, it is important to preserve and record evidence including recording a description of the perpetrator (including type of clothing, race, age, height, weight, hair color, eye color, distinguishing marks, etc.), details of events, where events occurred, and the direction of travel of any vehicle involved. Best practices to preserve evidence with respect to sexual offenses include seeking medical attention shortly after the event.

- **Report the Alleged Offense to Law Enforcement.** If the victim/survivor of sexual assault/sexual misconduct, dating violence, domestic violence or stalking wishes to have the assistance of law enforcement, the victim/survivor should contact the UCC Security Department immediately by calling 541-440-7777. If the individual is off-campus, immediately call 911 or contact the appropriate law enforcement agency:

REPORTING SEXUAL ASSAULT/SEXUAL VIOLENCE, DATING VIOLENCE, DOMESTIC VIOLENCE, OR STALKING TO THE EQUAL OPPORTUNITY AND TITLE IX OFFICE

Although the College strongly encourages all members of its community to report violations of UCC's policy to the Security Department, (including Douglas County Sheriff and/or local police), it is the victim/survivor's choice whether or not to make such a report. Furthermore, victim/survivors have the right to decline to notify law enforcement. UCC's Campus Security will assist any victim/survivor with notifying law enforcement if the victim/survivor so desires. Victims/survivors of sexual assault / sexual violence, dating violence, domestic violence, or stalking, have the option of reporting the incident to UCC's Director of Human Resources and Title IX Coordinator.

The Title IX Coordinator has the authority to investigate allegations of sex discrimination and misconduct, including sexual assault / sexual violence, dating violence, domestic violence, and stalking as prohibited by federal and state law. Investigations for Title IX have been contracted out to Rebekah Jacobson of Garrett Herman Roberson P.C. The Title IX Coordinator may appoint Rebekah Jacobson of Garrett Herman Roberson P.C. as the investigator, as necessary, to fulfill the obligations of the Title IX Coordinator as required by this policy. Reports of all domestic violence, dating violence, sexual assault and stalking made to UCC's Security Department will automatically be referred to the Title IX Coordinator for investigation regardless of if the complainant chooses to pursue criminal charges. In addition, individuals around the campus who are designated as "Responsible Employees" will make a report to the Title IX Coordinator when they receive a report of sexual assault/sexual violence, dating violence, domestic violence or stalking. The College encourages all members of the school community to report any incidents of sexual misconduct; however, there are several confidential resources available to students [faculty and staff] who are not yet ready to report an incident. These individuals can help a victim/survivor obtain needed resources, explain reporting options, and assist in navigating the reporting process. The resources are required by law to keep all communications confidential without an individual's express consent to release information.

When the Title IX Coordinator receives a report, he/she will meet with the individual identified as the victim/survivor and will make a determination about how to proceed. More information on the procedures utilized by the Title IX Coordinator is listed below.

SECTION 7: APPENDIX

TITLE: USE OF TOBACCO

BOARD POLICY # 308

UCC promotes a safe, healthy learning and working environment. In acknowledgement of the Surgeon General's findings that tobacco use in any form, active and passive, is a significant health hazard, and in recognition of the classification of environmental tobacco smoke as a Class-A carcinogen, UCC strives to minimize health risks with this policy.

The distribution, advertising, promotion, sponsorship, sale, or use of tobacco, including any smoking device or inhalant delivery systems, is prohibited in any College-owned or College-controlled property and during College events.

This policy applies to all UCC employees, volunteers, clients, students, visitors, vendors, and contractors.

As required by Oregon state law, possession or use of tobacco products and smoking device or inhalant delivery systems by persons under the age of 21 is prohibited on all UCC grounds and property.

Any exceptions to the policy are listed in the associated procedure

RESPONSIBILITY:

The Director of Facilities and Security is responsible for implementing and updating this policy. Specific guidance for policy implementation may be found in the associated Administrative Procedure(s).

TITLE: USE OF ALCOHOL, INTOXICANTS, AND CONTROLLED SUBSTANCES

BOARD POLICY # 346

In keeping with federal, state, and local laws, regulations, statutes, and ordinances, Umpqua Community College prohibits the use, possession, manufacture, sale, or distribution of alcohol, intoxicants, drugs containing controlled substances (including marijuana), and/or other illegal drugs while on college-owned or college-controlled property, including vehicles; while performing any work-related function on behalf of the College; or while representing the college on business or in college-sponsored activities.

Additionally, College employees, students, and visitors are prohibited from being under the influence of alcohol, intoxicants, drugs containing controlled substances (including marijuana), and/or other illegal drugs while on college-owned or college-controlled property, including vehicles; while performing any work-related function on behalf of the College; or while representing the college on business or in college-sponsored activities.

Policy exceptions

1. UCC complies with all rules of the Oregon Liquor Control Commission.
 - a. Alcohol may not be consumed by any person at any UCC facility except at an event that has been approved to serve alcohol by the College President or the President's designee.
 - b. Alcohol will only be served by approved businesses carrying the proper insurance, holding a valid liquor license, and having licensed servers.
 - c. Alcohol may be given as gifts or auctioned, but the gifted alcohol may not be opened on any Umpqua Community College facility or property.
 - d. When representing the college at college-affiliated, charitable, and community events where alcohol is served, employees and students of legal drinking age in Oregon may consume alcohol in moderation. Employees and students at such events may not consume alcohol in excess nor get behind the wheel of a vehicle if under the influence of alcohol.
2. Pursuant to restrictions detailed in ORS 471.580, a student, including 18-, 19-, and 20-year-olds, enrolled in a food or beverage career class offered by UCC, may consume a limited amount of alcohol in a controlled, supervised educational setting.
3. This policy is not intended to prohibit the lawful use or possession of prescription medication (other than marijuana) that is used consistently with a valid prescription by the person to whom it is prescribed.

A violation of this policy will subject the violator to disciplinary action, up to and including termination, and referral to local law enforcement.

RESPONSIBILITY:

The Chief of Security, in consultation with the Director of Human Resources, is responsible for implementing and updating this policy. Specific guidance for policy implementation may be found in the associated Administrative Procedure(s).

TITLE: REPORTING OF CRIMINAL ACTIONS AND OTHER EMERGENCIES

BOARD POLICY # 612

The safety of students, employees, and visitors is a high priority to Umpqua Community College (UCC). Therefore, in conformity with the Crime Awareness and Campus Security Act, UCC urges its employees, students, and visitors to report all criminal actions and other emergencies occurring on campus or at related off-campus sites to an appropriate authority, as stated in Administrative Procedure #612. This means that all emergencies, including crimes in progress, should be reported immediately to 9-1-1, with a follow-up contact to the Campus Security Department, and all other criminal actions should be reported promptly to the Campus Security Department, a Campus Security Authority (CSA), or local law enforcement.

UCC employees and other persons designated as CSAs are identified in Administrative Procedure #612. CSAs are required to notify the Campus Security Department of any reports or other knowledge of criminal actions involving UCC facilities, employees, students, or visitors to UCC. Information regarding criminal actions will be forwarded to the appropriate law enforcement agency in whose jurisdiction the incident occurred.

Reports may be made confidentially and/or anonymously as stated on the Campus Security Department's website (www.umpqua.edu/security) and in Administrative Procedure #612.

The College has no memoranda of understanding between the institution and local/state law enforcement agencies.

The Security Department endeavors to maintain a professional working relationship with local law enforcement agencies. All crime victims and witnesses are strongly encouraged to immediately report crimes to the Security Department and local law enforcement agencies. Prompt reporting will assure timely warning notices on College property and timely disclosure of crime statistics. (See BP and AP 612.)

TITLE: SEXUAL HARASSMENT

BOARD POLICY # 314.01

Umpqua Community College is committed to providing all employees and students with the opportunity to work and learn in an environment free from discrimination, including harassment. It is a violation of college policy for any employee or student to engage in harassment of any other college employee or student.

- a. It is made a condition of employment or a basis for employment decisions regarding students or staff; or
- b. It is made a condition for a student's enrollment, evaluation, or satisfactory progress in a class or program; or
- c. Such behavior unreasonably interferes with a student or staff member's academic or work performance by creating an intimidating, hostile, or offensive learning or work environment.

UCC employees and students who feel they have been subjected to sexual harassment are encouraged to first pursue an informal resolution to their complaint. Employees should bring their concerns to the attention of their supervisors, the appropriate Vice President, or the college Affirmative Action Officer. Students are encouraged to discuss their concerns with a college counselor or the Vice President for Student Services. Every effort will be made to maintain confidentiality for both the complainant and the accused at the informal level.

If the situation is irresolvable by informal means, employees and students should promptly seek assistance from the college Affirmative Action Officer and follow the formal discrimination grievance procedures. Impartial replacements will be selected by the President in the event that a member of the Personnel/Affirmative Action Committee is the alleged harasser.

UCC supervisors are responsible for promoting an environment that is free from sexual harassment. UCC will thoroughly investigate all reported incidents of sexual harassment. Employees or students found to be in violation of this policy will be subject to immediate discipline, including possible termination or suspension from the college.

UCC will not tolerate retaliation of any kind against employees or students based upon their allegations regarding sexual harassment. Retaliatory behavior will be considered a breach of this policy and will be dealt with accordingly.

Employees and students should be aware that formal allegations of sexual harassment carry potentially serious consequences to the person charged. Such allegations should be made if warranted, but should be made with accuracy and truthfulness.
